COUNCIL**Civic Task Group Recommendations****15 May 2017****Report of the Overview and Scrutiny Committee****PURPOSE OF REPORT**

To request Council to consider the recommendations of the Overview and Scrutiny Committee regarding the establishment of a Civic and Citizenship Panel and a Citizenship Awards Scheme.

This report is public.

RECOMMENDATIONS

That Council considers the recommendations made by the Overview and Scrutiny Committee as set out below :

- (1) That a Civic and Citizenship Panel to include the Mayor and Deputy Mayor, Honorary appointments, dignitaries and community representatives be established by the Council to support the Mayoralty in undertake the following:
 - Promote citizenship through organising visits to schools, clubs etc.
 - Assist with the organisation of Local Democracy Week.
 - Run the Citizenship awards with the CVS.
 - Promote the Mayor's Charity and assist the Mayor with fund raising events.
 - Assist in the organisation of Mayor Making and Civic events.
 - Assist with the developing the Civic role.

- (2) That a Mayor's Citizenship award scheme be established by the Civic and Citizenship Panel in conjunction with CVS and consider introducing the following categories:
 - Bravery Award.
 - Young Carer Award.
 - Young entrepreneur/business Award.

1. Introduction

The Overview and Scrutiny Committee established a working group to re-consider the recommendations of the Formal Civic Task Group. The working group met just once to consider the recommendations of the original Task Group that had not been implemented and reported back to the Overview and Scrutiny Committee.

2. Proposal

Civic and Citizenship Panel

The main recommendation that was discussed was that of establishing a Civic and Citizenship Panel. This had been attempted when the original report was considered ten years ago but problems had arisen in trying to recruit members of the public to take part. Only a handful of people had come forward and it was agreed by the Council Business Committee, that this recommendation would not go any further forward.

The Overview and Scrutiny Committee agreed that it would be more beneficial for the Panel to comprise of Aldermen, former Councillors who had been Mayor and also their Mayoresses.

It was also felt important that the Deputy Mayor should be included in the membership of the Panel and naturally the Mayor.

Mayor's Citizenship Awards

The Overview and Scrutiny Committee felt that the introduction of Citizenship Awards could be undertaken easily with little resource implications and the civic pride that it would create for local people would be important.

Officers met with CVS to discuss the award scheme they had in place to avoid duplication. CVS were keen to work with the Council to create a joint Awards Scheme and felt the Mayor's Awards would become an important esteemed award ceremony for the district.

Currently, CVS hold annual awards which include the following categories :

- Volunteer of the Year (aged 25 or over).
- Young Volunteer of the Year (aged 24 or under).
- Trustee of the Year.
- Lifetime Achievement Award.
- Volunteer Sports Coach of the Year.
- Fundraiser of the Year.
- Community Inspiration of the Year.

The Committee agreed that the Panel could consider introducing the following awards :

- Bravery Award.
- Young Carer Award.
- Staff Award.
- Young entrepreneur/business Award.

But this list is open to discussion by the Panel once it is established.

3. Officer Comments

The introduction of a Civic and Citizenship Panel would promote the Civic element of Lancaster City Council and involve a greater number of people in civic life with a wealth of information and experience. There would be no resource implications in establishing the Panel.

The Citizenship awards would have some resource implications, such as refreshments and frames for certificates but they are fairly insignificant in comparison to the civic pride that would be created.

4. **Conclusion**

Members are asked to consider the recommendations of the Overview and Scrutiny Committee, set out in this report, to promote the Council's civic element and raise awareness and civic pride within the district.

METHOD OF CALCULATION

- 1 The following is provided as a reminder for Members of the method used to calculate proportional representation (PR) at Lancaster City Council:-
- 2 At its meeting on 11th May 2006 Council agreed the following protocol and groupings for the calculation of PR on the Council's Cabinet*, Overview & Scrutiny and Committees:
 - (i) the calculation be undertaken using 4 decimal places;
 - (ii) the allocation of a final seat to a Group with the same residual be to the largest under-represented Group provided that this does not result in the largest over-representation; and
 - (iii) In the event that the foregoing rules do not resolve the situation, either because of a tie, or because the allocation would result in the largest over-representation, the seat be allocated by drawing lots under the supervision of the Mayor.
 - (iv) the calculation should be undertaken in relation to the following groupings:
 - Overview and Scrutiny (2 x 9)
 - Regulatory and other timetabled Committees (1 x 20(Planning)*, 1 x 15 (Licensing Act), 1 x 9 (Licensing Regulatory) and 2 x 7 (Personnel and Audit)
 - Remaining Standing and Joint Committees to be calculated separately and individually.

**The Cabinet is no longer a PR Cabinet, and the composition of the Planning Committee has since reduced to 15 Members.*

COMMITTEE GROUPING CALCULATIONS

1 OVERVIEW AND SCRUTINY GROUPING

The PR Calculation for a single 9 Member Committee is 5:3:1:0:0:0 and the grouping of Overview & Scrutiny Committee and Budget & Performance Panel is as follows:-

$9 + 9 = 18 (-: - 60) = 0.3$ seats per Member.

L	30	x 0.3	=	9	=	9
C	18	x 0.3	=	5.4	=	5
G	8	x 0.3	=	2.4	=	3 (see below)
I	2	x 0.3	=	0.6	=	1
FI	1	x 0.3	=	0.3	=	0
NAI	1	x 0.3	=	0.3	=	0

Using the PR calculation for two single 9 Member Committees, the Labour Group would have had 10 seats overall. The grouping gives the Labour Group 9 seats overall so the Labour Group “give up” one seat as a result of the grouping.

The Conservative Group would have had 6 seats overall using the PR calculation for two single 9 Member Committees. However, the grouping gives the Conservative Group 5.4 seats, making a tie for the final seat between the Conservative and the Green groups who have the same residual of .4. The rules state that “the allocation of a final seat to a Group with the same residual be to the largest under-represented Group provided that this does not result in the largest over-representation.”; The final seat will therefore be passed to the Green group.

The Independent Group will receive one seat on either the Overview and Scrutiny Committee or Budget and Performance Panel, by arrangement with the other Groups.

2 REGULATORY AND STANDING COMMITTEES OF COUNCIL GROUPING

The PR calculation for 15 Member Committees (Planning and Highways Regulatory and Licensing Act) is 7:5:2:1:0:0. The 9 Member Licensing Regulatory Committee is 5:3:1:0:0:0 and the 7 Member Committee calculation (for Personnel and Audit) is 4:2:1:0:0:0. The total seats to be allocated for the grouping comprising Planning and Highways Regulatory, Licensing Act, Licensing Regulatory, Personnel and Audit Committees is:-

$15 + 15 + 9 + 7 + 7 = 53 (-: - 60) = 0.8833$ seats per Member.

L	30	x 0.8833	=	26.4990	=	26
C	18	x 0.8833	=	15.8994	=	16
G	8	x 0.8833	=	7.0664	=	7
I	2	x 0.8833	=	1.7666	=	2
FI	1	x 0.8833	=	0.8833	=	1
NAI	1	x 0.8833	=	0.8833	=	1

53

PR for this group of committees, if calculated on the basis of single committees, would have given the Labour Group 27 Members and the Conservative Group 17 Members. However, when grouped, the Labour Group receive 26 seats and the Conservative Group receive 16 seats, requiring the Labour Group and the Conservative Group to “give up” one seat each in this grouping. Those seats will give Councillor Woodruff and

Councillor Scott one seat each on whichever Committees the Labour and Conservatives Groups choose to leave unfilled.

3 OTHER COMMITTEES/PANELS

Remaining Standing Committees currently constituted with a PR of 7 are the Appeals, Council Business and Standards Committees. The PR calculation for these is 4:2:1:0:0:0.

The Appraisal Panel is a member panel of seven members appointed on a PR basis, although not a formal Committee of Council. The PR calculation for the Panel is 4:2:1:0:0:0.

COUNCIL**Executive Arrangements

and these shall then be included in the Council's Constitution."

1.2 This report fulfils the requirement of Rule 1.2(b).

2.0 Proposal Details

2.1 The names of the members appointed to Cabinet and their respective portfolios will be reported at the meeting.

2.2 In accordance with the Council's current Constitution (Article 7.09), Cabinet members will have delegated authority to take non-key decisions within their portfolio areas. Key decisions will be taken by Cabinet collectively.

2.3 No Cabinet Committees or Area Committees have been appointed.

2.4 The revenues and benefits functions of the Council will continue to be carried out by a Joint Committee with Preston City Council. The two Cabinet members appointed to serve on that Joint Committee will be Councillors Blamire and Whitehead. All other Cabinet Members are substitute Members of the Joint Committee.

2.5 Delegations of executive functions to officers are set out in Part 3, Section 14 of the Council's Constitution. A copy is attached at **Appendix A** to this report, however, it should be noted that the Chief Officer (Governance) post is currently vacant and delegations to that post will be carried out by the Chief Executive for the time being, except for those relating to licensing functions which will be carried out by the Chief Officer (Health and Housing).

3.0 Conclusion

3.1 The report is submitted in accordance with Rule 1.2 of the Cabinet Procedure Rules and is for noting.

Part 3, Section 14

Scheme of Delegation to Officers

It is acknowledged that the role of officers is to take operational decisions in the manner that they consider is most appropriate given their managerial and professional expertise, and that no specific delegations are required in order for officers to carry out the operational management of the services for which they are responsible.

The purpose of this Scheme of Delegation is rather to provide clarity for the undertaking of activities that for governance reasons require formal authorisation.

Formal delegations have been approved by the relevant Member body with responsibility for the particular function, and this may be Council, a Regulatory or other Committee of Council, or, in the case of executive functions, the Leader. The Scheme of Delegation is set out to make it clear which body has authorised each delegation

All the delegations within this Scheme are to be undertaken within:

- The policies and strategies of the Council within the policy framework
- Any legal constraints imposed on the Council
- The financial provision authorised by the Cabinet and the Council
- Any relevant provisions within the Constitution

This Scheme of Delegation should be read in conjunction with the Council's Financial Regulations, including the Contract Procedure Rules, and the Treasury Management Framework.

References to any Act, Regulation, Order or Byelaw shall be construed as including any re-enactment or re-making of the same, whether or not with amendments.

Any reference to any Act of Parliament includes references to Regulations and other subordinate legislation made thereunder and to any EU legislation on which the UK legislation is based.

Subject to any express instruction to the contrary from the delegating body, any power to approve also includes power to refuse, and power to impose appropriate conditions.

Delegations to officers are subject to the right of the delegating body to decide any matter in a particular case, and the officer may in any particular case refer to the delegating body for a decision.

Generally, any power delegated to a Chief Officer may be exercised by the Chief Executive, and any power delegated to any other officer may be exercisable by the officer's Chief Officer or the Chief Executive. However, it should be noted that this is subject to any specific statutory restrictions. For example, under health and safety legislation, some powers may only be exercised by qualified "inspectors".

Any delegation to the Chief Executive may in her absence be exercised by a Chief Officer. Formal urgent decisions will be taken in consultation with the appropriate elected member(s) in accordance with the Constitution. It is anticipated that the delegated authority would be exercised, taking account of any comments from the Monitoring Officer and the Section 151 Officer, by the most appropriate Chief Officer

given the subject matter for decision, or, in the absence of that Chief Officer or where the decision is general in nature, by the Chief Officer on Senior Emergency Officer duty at the time.

The Monitoring Officer shall have power to amend the Scheme of Delegation to reflect reorganisations, changes in job titles and vacancies, where such changes result in redistributing existing delegations, and not the creation of new ones.

Any post specifically referred to in the Scheme of Delegation shall be deemed to include any successor post, and shall include any officer acting up or seconded.

Where an officer is authorised or designated by virtue of this Scheme of Delegation as an authorised officer for the purposes of any legislation, that authorisation (unless it specifically states to the contrary) shall be deemed to authorise that officer to undertake all the powers and duties of an authorised officer as are specified in that legislation. These may include (but are not restricted to) the power to enter on land, undertake inspections, serve notices (including the issue of fixed penalty notices), take samples and remove goods.

Where a power or duty is delegated to an officer, either directly under the Scheme of Delegation or through designation as an authorised officer, and the exercise of that power or duty is contingent upon the opinion of the Council that particular conditions or factual circumstances exist, then the officer in question has the power to determine whether or not those circumstances exist or those conditions have been fulfilled in the name of and with the authority of the Council.

Functions, matters, powers, authorisations, delegations, duties and responsibilities within this Scheme shall be construed in a broad and inclusive fashion, and shall include the doing of anything which is calculated to facilitate or is conducive or incidental to the discharge of anything so specified.

Where a power or duty delegated under this Scheme includes at source a power to recover costs, fees or charges, the delegation shall include the power to take all necessary action to recover such fees costs or charges by way of civil debt or otherwise.

Non-Executive Delegations 12th May 2017

Report of the Monitoring Officer

PURPOSE OF REPORT

To report to Council on the Scheme of Delegation to Officers in relation to non-executive functions.

This report is public

RECOMMENDATIONS

- (1) That Council approves its current Scheme of Delegation to Officers ("Scheme of Delegation") in regard to non-executive functions.

1.0 Introduction

- 1.1 It is good practice for Council to approve its Scheme of Delegation at the Annual Meeting, and the current Scheme is appended for that purpose.

2.0 Amendments made by the Monitoring Officer

- 2.1 The Constitution authorises the Monitoring Officer to amend the Scheme of Delegation to reflect reorganisations, changes in job title and vacancies where such changes result in redistributing existing delegations (not the creation of new ones).
- 2.2 Since May 2015, two posts with delegations have become vacant and have not yet been filled, namely the posts of Chief Officer (Governance) and Legal Services Manager. In May 2016, the Scheme of Delegation was updated by the Monitoring Officer to reflect this, with the Chief Executive taking on functions delegated to those vacant posts except for some of those related to the licensing functions which were been redistributed to the Chief Officer (Environment) who had taken on responsibility for the Licensing section formerly overseen by Legal Services. The Licensing function has since moved to the Chief Officer, (Health and Housing) and those functions have been redistributed to that post.
- 2.3 It has now been decided to appoint a Chief Officer (Legal and Governance) and interviews for this post will take place on the 26th June 2017.
- 2.4 Following the appointment, a comprehensive review of the scheme will be undertaken by the new Chief Officer (Legal and Governance) to take account of legislative changes and to modernise the scheme.

3.0 Conclusion

The report is submitted for Council's approval.

COUNCIL**Appointment to the Lancashire
Police and Crime Panel
15 May 2017****Report of the Chief Executive****PURPOSE OF REPORT**

To advise Council regarding making an appointment to the Lancashire Police and Crime Panel.

This report is public

RECOMMENDATION

- (1) That Council notes that the political balance in Lancashire, following local elections in May 2017, was unknown at the time of drafting this report.
- (2) That, the Council puts forward a Labour Member for appointment to the Lancashire Police and Crime Panel for the municipal year 2017/18 to enable the Council to be represented at the next meeting of the Panel on 5 June 2017.

1.0 Introduction

1.1 A Police and Crime Panel (PCP) for Lancaster was established as a formal Joint Committee of the 15 local authorities for the Lancashire Police force area in 2012. The arrangements, procedural rules and terms of reference of the Panel, put forward by the County Council as Panel co-ordinators, were agreed by Lancaster City Council on 14 May 2012.

1.2 PCPs were established in accordance with the Police Reform and Social Responsibility Act 2011. The legislation provides that a 'balanced appointment objective' must be met, as far as is reasonably practicable. This means that the members of the Panel, when taken together, should represent the political make up and represent all parts of the relevant local authorities for the police area. Blackburn with Darwen, as the host authority, will instruct other authorities of the appointments to be made.

2.0 Proposal

2.1 At the time of writing this report the results of the local government elections on 4 May 2017 are not yet known, therefore it is not known if Lancaster City Council will be asked to appoint one or two members. It has usually been one just one Labour Group Member although there has been at least one year when the City Council has been able to

appoint one Labour and one Conservative member, depending on political balance in the County area.

- 2.2 It is possible that Democratic Services will have received instructions from Blackburn with Darwen Council, after agenda publication. If the Council has been invited to appoint two Members to the Panel for 2017/18 it will be reported before, or at, the meeting and both appointments can be made together.

CONCLUSION OF IMPACT ASSESSMENT
