

INDIVIDUAL CABINET MEMBER AND OFFICER DELEGATED DECISIONS

8TH MARCH 2017

The following decision has been taken by an Individual Cabinet Member or Officer under delegated authority. The Chairman of the Overview and Scrutiny Committee agreed to waive the call-in period and the following decision taken by a Delegated Officer was implemented immediately.

ODD30 PLANNING APPLICATION FEE INCREASES

- (1) Under the Government's White Paper "*Fixing our broken housing market*", Government will increase nationally set planning application fees for those authorities that commit to investing the resulting additional fee income in planning services.

In order to take up this offer, the s151 Officer must provide this commitment to Government, together with supporting financial information. Following consultation with Cabinet and Chief Officers, the s151 Officer has taken the decision to update the revenue budget, in order to facilitate the above.

Proposals for the actual use of the additional funds to be generated by increasing planning fees will be presented to Cabinet in due course (with that decision being subject to call-in).
