The report is public

RECOMMENDATIONS

The Sub Committee is requested to determine in the light of the representations made and having regard to the Council's Statement of Licensing Policy, the Licensing Act 2003 and any Regulations made under that Act, as well as Government Guidance, whether to grant the application as requested, impose any conditions on the licence, or to reject the whole application. Members are reminded that they should state the reasons for their decision.

1.0 Introduction

Details of Temporary Event Notice

On the 7th August 2017 a Temporary Event Notice (TEN) under Section 100 of the Licensing Act 2003 was served upon Lancaster City Council by Mr Adrian Miles Hulme in respect of the premises known as The Crafty Scholar, 33-37 Church Street, Lancaster, for events to take place from 03:00 to 06:00 hours on 27th August 2017. The notice stated that the events were to include the provision of late night refreshment and the sale by retail of alcohol. A copy of the TEN is attached at Appendix 1.

For members' information the premises already has the benefit of a premises licence issued under the Licensing Act 2003. A copy of the licence is attached at Appendix 2. The premises licence permits various types of regulated entertainment indoors and the sale by retail of alcohol on & off the premises:-

Sunday - Tuesday 10.00 to 00.00
Wednesday - Saturday 10.00 to 03.00

Late Night Refreshment:-

Sunday - Tuesday 23:00 to 00:00
Wednesday - Saturday 23:00 to 03:00

Provision of Films:-

Sunday – Tuesday 07:00 to 00:00
Wednesday – Saturday 07:00 to 03:00

Details of the objection

On 7th August 2017, in accordance with Section 104(2) of the Licensing Act 2003 as amended by the Police Reform and Social Responsibility Act 2011, Lancashire Constabulary has submitted an immediate objection on the grounds of prevention of crime and disorder.

A copy of the objection is attached at Appendix 3.

Notice of Hearing

In accordance with the relevant Regulations, the parties have been given Notice of the Hearing. A copy of the Notice is attached for Members' attention at Appendix No. 4.

Legal background to Objection

Under Section 104(2) of the Licensing Act 2003, the Chief Officer of Police or a Local Authority exercising environmental health functions may object to a TEN on the basis that use of the premises in accordance with the notice would undermine any of the licensing objectives. Members will be aware that these are:-

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance and
- the protection of children from harm

If the police and/or local authority exercising environmental health functions believe that allowing the premises to be used in accordance with the TEN will undermine the licensing objectives, they must give the premise user and the licensing authority an objection notice. The objection notice must be given within three working days of their receipt of the TEN.

If the licensing authority receives an objection notice from the police or local authority exercising environmental health functions that is not withdrawn, it must hold a hearing to consider the objection (unless all parties agree that this is unnecessary) within 7 working days beginning with the day after the end of the period within which a chief officer of police or the local authority exercising environmental health functions may give a notice under section 104(2)

Matter for Decision

The Sub-Committee is requested to consider the objection submitted by Lancashire Constabulary.

In accordance with Section 105(2) of the Licensing Act 2003, the Sub-Committee must take such of the following steps as it considers necessary for the promotion of the licensing objectives:

- (a) impose one or more of the existing licence conditions on the TEN (insofar as such conditions are not inconsistent with the event)
- (b) determine that the event would undermine the licensing objectives and serve a counter notice
- (c) allow the licensable activities to go ahead as stated in the notice.

The matter for decision, therefore, is which of these steps should be taken.

Government Guidance under Section 182 of the Licensing Act 2003

Members may wish to note that paragraph 2.1 of the Guidance issued by the Government under Section 182 of the Licensing Act 2003 states that Licensing Authorities should look to the Police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).

Relevant Parts of the Council's Statement of Licensing Policy

With regard to the prevention of crime and disorder, the Policy provides as follows:

9. The prevention of crime and disorder

- 9.1 The central concerns of licensing in relation to law and order are acts of violence and vandalism brought about by consumption of alcohol and the use of licensed premises as part of a distribution network for illegal drugs.
- 9.2 It is not the function of licensing to impose good practice in the adoption of wider crime reduction measures, such as those for securing premises outside of trading hours. It is also not a purpose of licensing to require that measures be put in place to enhance the opportunities for gathering evidence in relation to crime of a general nature. However, the Licensing Authority recognises that CCTV cameras at premises have an important role in preventing crime and disorder.
- 9.4 The Licensing Authority's starting point is to seek a reduction in crime and disorder throughout the area, consistent with its statutory duty under section 17 of the Crime and Disorder Act 1998. Licences may be granted if applicants can demonstrate that a positive reduction in crime and disorder will result, or that it will not increase, as a result of the application being granted.
- 9.5 Where there are relevant representations, the Licensing Authority will generally not grant a licence where it is likely that the premises will be used for unlawful purposes or where it is considered that the use of the premises is likely to cause an increase in

crime and disorder in the area or the premises and this cannot be prevented by the imposition of conditions. When addressing crime and disorder, the applicant should identify any particular issues which are likely to adversely affect the promotion of the objective to prevent crime and disorder, taking account the location, size and likely clientele of the premises, and the type of entertainment (if any) to be provided. Such steps as are required to deal with these issues should be included within the applicant's operating schedule, and may include:

- Use of CCTV inside and outside the premises. The Lancashire Constabulary has produced suggested minimum requirements for CCTV and these are available from the Lancashire Constabulary or from the Licensing Authority's administrative staff
- Use of metal detection or other search equipment or procedures
- Crime and disorder risk assessment in relation to the proposed activities
- Measures to prevent the use or supply of illegal drugs and procedures for searching customers
- Ensuring that all staff are appropriately trained
- Ensuring that all staff involved in the management of the premises have the capability, responsibility and training to supervise other staff and to ensure that the premises are operated in such a manner as to prevent crime and disorder
- Employment of sufficient security staff where appropriate, controlling admission, monitoring capacity within the premises as a whole and in separate rooms/levels and patrolling the interior and exterior of the premises (any such staff must be licensed by the Security Industry Authority). The Licensing Authority recognises that there is a greater need for security staff in some premises than in others. For example there will be a greater need for security staff in a town centre nightclub than in a village pub. It will be for the applicant to consider the appropriate number of doorstaff required for the particular premises.
- Ensuring that a register of doorstaff and their working times is maintained
- Participation in Pub Watch, Best Bar None or other relevant schemes and using radio links/pages as a means of connecting to other licensed premises.
- Use of plastic or polycarbonate glasses and bottles, where appropriate, or toughened glass. Applicants are advised that the Government believes that a risk-based, rather than blanket, approach to requiring licensed premises to use safer alternatives is the best way to tackle the problem of glass-related injuries
- Wherever possible, agreed protocols with police and other organisations and a commitment to co-operate and provide such evidence as the Police require.
- Adopting the "Night Safe Initiative" and "Safer Clubbing Guide" as statements of best practice
- Following the trade codes of practice, for example BBPA and Portman Group, and not carrying out any irresponsible drinks promotions
- Providing a suitable environment for customers having regard to the activities going on in the premises, in particular appropriate levels of seating
- Ensuring that there are sufficient transport facilities available to ensure that customers can leave the premises safely and swiftly.
- Maintaining an incident log
- The steps the applicant has taken to prevent crime and disorder issues from occurring in any open air parts of the premises, beer gardens, smoking shelters or areas that are used on an ad-hoc basis by patrons with the management consent for smoking, due to location, control within and management of such areas.

It should be noted that this list is not intended to be exhaustive. It may be appropriate for the applicant to consider other steps. Equally, the Licensing Authority recognises that not all the items in the list will be applicable to all premises.

Following the receipt of relevant representations, the Licensing Authority will not normally allow a person to be specified as a designated premises supervisor where that is likely to undermine the prevention of crime and disorder by reason of that person's known past conduct. A person is likely to be considered unsuitable if he has previous unspent convictions for a relevant offence, notwithstanding that he may have been granted a personal licence. However, each case would be considered on its own merits in the light of representations received.

Natural Justice and Human Rights

Members are reminded that they must follow the rules of natural justice, and must also consider human rights implications.

In particular, in accordance with Article 6, all parties are entitled to a fair hearing.

Consideration also needs to be given to the right to respect for private and family life and home, contained within Article 8, although this is a qualified right, and interference is permitted where this is in accordance with the law, or is necessary in a democratic society in the interests of public safety or the prevention of crime and disorder, or for the protection of the rights and freedoms of others. Article 1 of the First Protocol provides that every person is entitled to the peaceful enjoyment of his possessions, although again this right is qualified in the public interest.

Conclusion

Members should consider the objection to the TEN and any steps they consider necessary for the promotion of the licensing objectives.

Police Objection to a Temporary Event Notice

The Crafty Scholar, Church Street, Lancaster

Summary of Evidence:

On Monday 7th August 2017 a Temporary Event Notice (TEN) was received by PC 2338 Andrew Taylor Police Licensing in Lancaster for a boxing event in the early hours of Sunday 27th August 2017 at the Crafty Scholar. This TEN relates to a Boxing Match between Mayweather (a boxer) and McGregor (a cage-fighter) which is being shown on pay per view on Sky. This fight has generated massive press coverage and public interest due to the unusual nature of the fight with a boxer fighting a cage-fighter. Mayweather is from the USA and McGregor from Republic of Ireland and has a big traveller following.

The following objection to the TEN was submitted by PC Taylor:

Reasons for objecting					
I am in receipt of a Temporary Event Notices at the above premises for the sale of alcohol and the provision of regulated entertainment and late night refreshment, from 03:00 to 06:00 on 27 th August 2017. This is to cover the showing of live TV coverage of a boxing match.					

Boxing and wrestling matches increase the risk of crime and disorder due to the high-adrenaline nature of the sport, hence the actual activity on the premises (as opposed to TV coverage) being licensable in itself. This, coupled with the supply of alcohol, and the very late hour at which the coverage is to be shown, causes great concern for the Constabulary.

Not only will viewers be exposed to a high adrenaline atmosphere, they will also be more likely to have already had alcoholic drinks leading up to the fight, and the provision of alcohol continuing until 6am will exacerbate drunkenness and noise nuisance complaints, with a risk of crime and disorder due to all of the above combined.

The Temporary Event Notice makes no mention of any measures by which there will be an attempt to minimise noise nuisance, control numbers, or prevent excessive drunkenness.

Therefore Lancashire Constabulary wishes to object to the Temporary Event Notices.

The Police recommend to the Panel that a Counter Notice be served by the Licensing Authority unless the following restrictions or requirements can be imposed by condition.

The Crafty Scholar is a Licensed Premises in the City Centre of Lancaster. It used to be called Litten tree and before that Yates. It is still known to locals as Yates. This venue historically was a problem venue with Crime and Disorder associated with this venue on a weekly basis. With the renaming of the venue some 2 years ago and a major refurbishment the owners Stonegate looked to change the image of this venue to make it a nicer venue to frequent. Whilst Crime and disorder has decreased there are still some issues particularly on weekends. This is an overview of logs/crimes from 1st January 2017 to 8th August 2017:

The area of Lancaster and Morecambe has a large traveller community and the cage-fighter McGregor a large Irish traveller following. Of interest another fighter Tyson FURY who also has a large traveller following fought on 28th November 2015. One of the local licensed premises decided to show this fight and this resulted in a massive brawl of 40 to 50 people fighting in the venue and this was a fight that FURY won...this is a copy of the log of the night in question:

Police have concerns that if this event was to go ahead there would be a likelihood of serious crime and disorder due to:

- The unusual nature of the fight which is a boxing match between a Cage-fighter and a Boxer.
- The time of the fight which is going on into the early hours of the morning.
- The Irish following that McGregor has and the large travelling community in the area which will likely try to watch the fight at this venue.
- The times of the TEN which starts as the premises licence ends at 3am then runs until 6am. It is believed the fight will not be over at this time. What will happen then ? Trying to empty a venue in the middle of the fight will cause disorder. How can there be a safe dispersal of the venue ?
- These types of fights can create a drink fuelled aggressive atmosphere and thus result in large scale public order.
- This is a Bank Holiday weekend so large majority of the public will not be working Monday and be intent on drinking heavily.

An example of some of the issues Police deal with when these type of events go ahead are shown here in some press releases from around the country over the last few months:

LANCASTER CITY COUNCIL

**LICENSING ACT 2003 AND THE LICENSING ACT 2003 (HEARINGS)
REGULATIONS 2005**

NOTICE OF HEARING

To: The Notice Giver: **Adrian Miles Hulme of
Stonegate Pub Company Limited**

Objector: **PC 2338 Andrew Taylor representing the Chief
Constable of Lancashire Constabulary**

THE LANCASTER CITY COUNCIL, AS LICENSING AUTHORITY, HEREBY GIVES YOU NOTICE that a hearing before a Sub-Committee of the Licensing Act Committee to consider an objection in respect of notices under Section 100 of the Licensing Act 2003 in respect of premises known as **The Crafty Scholar, 33-37 Church Street, Lancaster**, will take place on **17th August 2017** at Lancaster Town Hall, commencing at **10:30 hours**.

AND TAKE NOTICE THAT all parties are invited to attend the hearing and that if a party wishes any other person (other than the person he/she intends to represent him at the hearing) to appear at the hearing, a notice given by that party must contain a request for permission for such other person to appear at the hearing, and must set out details of the name of that person and a brief description of the point or points on which that person may be able to assist in connection with the matter to be considered by the Sub-Committee.

GIVEN this 9th August 2017 by the Lancaster City Council as Licensing Authority.

INFORMATION TO ACCOMPANY NOTICE OF HEARING

1. Right of attendance, assistance and representation

A party may attend the hearing and may be assisted or represented by any person, whether or not that person is legally qualified.

The hearing will generally take place in public. However, the Sub-Committee may exclude the public from all or part of a hearing where it considers that the public interest in so doing outweighs the public interest in the hearing, or that part of the hearing, taking part in public. In such circumstances, a party and any person assisting or representing a party may be treated as a member of the public. The Sub-Committee will exclude the public (and the parties and their representatives) during the decision making process.

The Sub-Committee may require any person attending the hearing who in its opinion is behaving in a disruptive manner to leave the hearing, and may refuse to permit that person to return, or permit him to return only on such conditions as the Sub-Committee may specify. However, such a person may, before the end of the hearing, submit to the Sub-Committee in writing any information which he would have been entitled to give orally had he not been required to leave.

2. Representations and Supporting Information

At the hearing a party shall be entitled to:

- (a) Give further information as applicable in response to a point upon which notice has been given to that party that clarification is required. (Note – if such clarification is required from a party this will have been indicated in the Notice of Hearing).
- (b) Question any other party, but only if given permission by the Sub-Committee; and
- (c) Address the Sub-Committee

3. Failure of Parties to attend the Hearing

If a party has given notice that he does not intend to attend or be represented at a hearing, the hearing may proceed in his absence.

If a party who has not so indicated fails to attend or be represented at a hearing, the Sub-Committee may, where it considers it to be necessary in the public interest, adjourn the hearing to a specified date, or hold the hearing in the party's absence. If the hearing proceeds in a party's absence, the Sub-Committee will consider and give appropriate weight to the application, representation or notice given by that party in their absence.

4. Representations and Evidence

A party who wishes to rely on information or documentary evidence that has not been submitted in advance of the issue of the Notice of Hearing should ensure that such information or evidence, together with sufficient copies for all the parties, is submitted to the Licensing Manager as soon as possible before the day of the hearing.

Parties are reminded that documentary or other information submitted on the day of the hearing may only be taken into account with the consent of all the other parties.

A party who wishes to produce audio/visual evidence should make such evidence available as soon as practical, and should give a minimum of two clear working days notice to the Licensing Manager to facilitate arrangements for the appropriate equipment to be available at the hearing.

5. Procedure

A summary of the procedure that will normally be followed at the hearing is enclosed.

It should be noted that this is a general procedure intended to cover matters that will normally be applicable at all hearings.

However, depending on the circumstances of each individual case, it is recognised that other issues may need to be considered as preliminary points at the hearing. These may include (but are not limited to):

- Whether to proceed in the absence of a party
- Whether to admit new documents/information submitted at the hearing
- Whether it is in the public interest to exclude members of the public from the hearing or any part of the hearing (other than the decision making process)
- Whether any party wished to withdraw representations previously submitted

6. Special Needs

Any person who intends to attend a hearing and who has special needs, for example in connection with access, language, hearing or vision, should inform the Licensing Manager as soon as practical prior to the day of the hearing, so that appropriate provision or arrangements may be made.

PROCEDURE TO BE FOLLOWED AT HEARINGS TO WHICH THE LICENSING ACT 2003 (HEARINGS) REGULATIONS 2005 APPLY

1. The Chairman will introduce the Members and the Legal Adviser and Democratic Support Officer.
2. The Chairman will ask the parties to introduce themselves and any persons with them.
3. The Chairman will confirm that there is no reason why any of the three sub-committee Members should not participate in this matter.
4. The Chairman will confirm that this is a discussion led by the authority, that any questions should generally be put through the Chairman, and that cross-examination will only be permitted if the Sub-Committee considers that it is necessary.
5. The Chairman will ask the parties if they have any requests to cross-examine, and such requests will be considered by the Sub-Committee.
6. The Sub-Committee will consider any requests from the parties for permission for another person to appear at the hearing.
7. The Chairman will explain to the parties that the procedure to be followed will be the published one (unless the circumstances of the case require the normal procedures to be varied) – that is,
 - that the Licensing Manager (or his representative) will introduce the details of the application, the reason for the hearing, and the documentation,
 - that each party making representations will address the sub-committee in turn and will call other persons where permission has been given
 - that the applicant/licence holder will present his case and will call other persons where permission has been given
 - that Members may ask questions of all parties and persons
 - that questions from the parties must be directed through the Chairman unless cross-examination has been permitted under 4 above
 - that all parties will have the opportunity to make a closing statement, with the applicant/licence holder having the final word
 - that the Sub-Committee will withdraw to make its decision and formulate the reasons for the decision in private, and will ask its Legal Adviser and the Democratic Support Officer to join it in order to assist in documenting the decision and the reasons, or to provide clarification on any point. The decision will be announced in public and confirmed in writing. (In certain circumstances, the decision may not be made on the same day as the hearing). In the event that the Legal Adviser has been asked for clarification on any point then the point raised and the advice given will be declared to all parties.
8. The Chairman will indicate the maximum period of time each party will be allowed in which to present their case, and will seek comments from the parties before the Sub-Committee makes its final indication on this point.
9. The hearing will then proceed following the procedure in 7 above. The Chairman will arrange for reasonable comfort breaks throughout the hearing.
