Details of Decision: That A Connolly Ltd be awarded the renewal of fire door to high rise flat block contract.			
Reasons for the decision: Tenders for the door renewal programme have been received via CHEST and A Connolly Ltd submitted the best value priced tender based on price & a quality evaluation procedure. Because A Connolly Ltd won the contract highlighted above, an exception report has been produced to request that the renewal of the fire doors to the high rise blocks be undertaken by the same contractor. It was in the specified works of the original contract to replace the balcony doors to the high rise blocks, therefore it has been determined beneficial to undertake the renewal of fire doors to the entrance of the flats whilst access had been gained.
