

STANDARDS COMMITTEE

ANNUAL REVIEW OF REGISTRATION OF INTERESTS 17th June 2010

Report of the Monitoring Officer

PURPOSE OF REPORT

To advise the Committee of the continuing monitoring of the registration of personal interests by City and Parish Councillors.

This report is public

RECOMMENDATIONS

(1) That the report be noted

1.0 Introduction

1.1 As Members are aware, there is a requirement in the Code of Conduct for any changes to members' interests to be notified to the Monitoring Officer within twenty eight days. It is the Monitoring Officer's practice to undertake an annual review of registrations to ensure that they are kept up to date.

2.0 Proposal Details

2.1 On the 10th May 2010, an email was sent to all Members of the City Council reminding them of the need to register any changes, and requesting either a signed declaration to the effect that there has been no change, or the return of a completed "change" form by the 31st May 2010.

2.2 By the time of writing this report at the beginning of June, twenty five replies had been received. However, the Monitoring Officer is aware that some appointments to outside bodies, which need to be included in the register of interests, will not be made until Cabinet and Overview and Scrutiny Committee have met in June, and that a number of members may be waiting until the relevant appointments have been made and can be included in the register. Information about the number of replies received will be updated at the meeting.

2.3 With regard to the parish councils, by virtue of the very number of councillors and the frequency of resignations and co-options, it is extremely difficult for the Monitoring Officer to ensure that the register contains an up to date registration form completed by each and every parish councillor. In order to ensure that the registrations of parish councillors are kept up to date, the Monitoring Officer has written to the clerks

of all the parish councils within the district, requesting them to draw to the attention of their councillors the requirement to register any changes to their personal interests, and enclosing copies of the change form.

2.4 It is hoped that these actions will ensure that city and parish councillors maintain accurate register entries of their personal interests.

3.0 Conclusion

3.1 The Committee is asked to note the report.
