

AUDIT COMMITTEE

Annual Review of Internal Audit's Compliance with Professional Standards 16th September 2015

Report of Internal Audit Manager

PURPOSE OF REPORT

To advise Members of the outcome from a self-assessment review against Public Sector Internal Audit standards as a contribution to the annual review of Internal Audit effectiveness, and to seek endorsement for an updated Quality Assurance and Improvement Programme

This report is public

RECOMMENDATIONS

- (1) That the Internal Audit Manager's conclusions from the self-assessment exercises are accepted as evidence that Internal Audit is operating effectively and the Committee can therefore place reliance on Internal Audit's reports and work when considering the overall effectiveness of the Council's governance arrangements.
- (2) That the Internal Audit Quality Assurance and Improvement Programme (QAIP) for 2015/16, presented at Appendix B is noted and endorsed.

1.0 Background

- 1.1 The Accounts & Audit Regulations 2015 include a requirement that local authorities Internal Audit functions take into account public sector internal auditing standards. These standards are those set out in the Public Sector Internal Audit Standards (PSIAS) and the associated Local Government Application Note (LGAN) (CIPFA 2013).
- 1.2 The PSIAS require the Internal Audit Manager to maintain a 'Quality Assurance and Improvement Programme' (QAIP) which includes periodical internal and external assessments of compliance with the Standards. Furthermore, standard 1322 of the PSIAS requires the council to consider disclosing any significant deviations in its annual Governance Statement.

2.0 Report

2.1 Compliance with the PSIAS and LGAN

- 2.1.1 A report was presented to the Audit Committee on 17th September 2014 setting out the most recent results from an initial self-assessment against the 334 lines included in the PSIAS/LGAN. At that point, the exercise identified 306 points where compliance was achieved (or which were not applicable to our situation). Non-compliance was identified in 2 instances and partial compliance (where we do comply but it is felt that there is scope to raise standards) in 26 instances.

- 2.1.2 A further annual self-assessment has now been undertaken in accordance with the QAIP, with the following outcomes:
- a) Of the 334 lines in the PSIAS/LGAN, compliance is achieved (or is not applicable to our situation) in 310 instances (previously 306);
 - b) Non compliance is demonstrated in 2 instances, as previously; these being in relation to arrangements for the Internal Audit Manager's appraisal. Action is proposed in the next six months to address both of these matters;
 - c) Partial compliance is now demonstrated in 22 instances (previously 26), reflecting the position that action is ongoing to review arrangements in a number of areas.
- 2.1.3 Appendix A sets out an update on those areas assessed as falling short of full compliance in the previous review of the PSIAS and a revised set of actions. In a number of instances, Members will see that performance against the standards is being considered as part of an ongoing review of the Internal Audit service and conclusions/proposals will be brought back to the Committee in due course.

2.2 Summary

- 2.2.1 The annual review of Internal Audit's compliance with professional standards is used to inform the Audit Committee's consideration of the annual governance review and the contents of the Annual Governance Statement (presented elsewhere on this agenda).
- 2.2.2 From the information presented in this report, it is felt that the Audit Committee can take reasonable assurance that Internal Audit is operating effectively and can place reliance on its reports and work in considering the overall effectiveness of governance arrangements. No significant deviations from the standards, or other issues regarding effectiveness, have been identified which would warrant disclosure in the Governance Statement.
- 2.2.3 For future years the annual statement on compliance with the PSIAS/LGAN and progress with associated action plans will be incorporated in the Internal Audit Manager's annual report to Audit Committee (scheduled for consideration at its June meeting). This action will bring practices in line with those set out in the standards.

2.3 Quality Assurance and Improvement Programme (QAIP)

- 2.3.1 In terms of the QAIP itself, the contents of the document endorsed by the Audit Committee on 17th September 2014 have not changed for the current year and the 2015/16 document is presented as Appendix B. The QAIP draws together those practices which have been established to deliver quality and continuous review and improvement in internal audit work. Members are again asked to consider, comment on and endorse this document.

3.0 Details of Consultation

- 3.1 None specifically undertaken.

4.0 Options and Options Analysis (including risk assessment)

- 4.1 In terms of the review of Internal Audit's effectiveness, the options available to the Committee are to:
- a. Accept the results of the self-assessment against the PSIAS/LGAN and the overall conclusion presented in §2.2.2; or
 - b. Adopt an alternative view to that presented in the report.
- 4.2 Option a) is the preferred option. This will inform the Audit Committee in its consideration of the annual governance review, presented elsewhere on the agenda.

5.0 Conclusion

- 5.1 The requirement for an annual review of the internal audit's compliance with professional standards is at present primarily informed by self-assessment reviews undertaken by officers. The results of these reviews provide elected members with information to inform their consideration of both Internal Audit's effectiveness and the Council's overall governance arrangements and Annual Governance Statement.
