

Capital Assurance Group: Terms of Reference

Role

1. The Capital Assurance Group (CAG) is a Member and officer working group with a clear remit to be the Council's advisory body on the Council's Capital Investment Strategy.
2. The Capital Investment Strategy has clear priority areas of work which although distinct from one another should be considered in an integrated manner when forming and delivering the Council's capital programme and related areas.
3. The types of Capital Investments which may be considered when forming the capital programme relate to the four priority areas of the 'Core' Plan 2030.
 - a) **A Sustainable District.** These include schemes to deliver demonstrable reduction to carbon emissions in line with the Council's goal of reaching net carbon zero by 2030, such as installation of solar panels, or investment in larger scale solar energy facilities, as well as supporting agile working to reduce our carbon footprint, and the increased electrification of our vehicle fleet. Schemes which mitigate the effects of climate change may also be included.
 - b) **An Inclusive and Prosperous Local Economy.** These include schemes to assist the Council's lead role in place-making, regeneration and economic development activity, and the improvement of the District's town centres to improve economic performance and encourage future private sector investment. Initiatives to use public land and buildings to achieve long-term socio-economic development within the Lancaster District may also be included, as well as investment in supporting the district's rich creative and heritage assets to benefit local businesses and residents both economically and culturally.
 - c) **Healthy and Happy Communities.** These include schemes to generate significant social returns in the District, such as the development of new housing, purchasing of existing housing with a view to improvements in quality and management, investment loans to third parties and re-use of Council assets, along with improving access to local culture, heritage and leisure to increase wellbeing.
 - d) **A Co-operative, Kind and Responsible Council.** These are investments that sustain the day to day operational delivery of the Council's services which underpin a broad range of Council priorities. Such schemes may include upgrades of key information and communication systems, as well as transformation and 'Invest to Save' proposals, which provide one-off project funding to help services become more efficient and effective

The meetings will be held via Teams, unless the Chair agrees a face-to-face meeting would significantly improve meeting outcomes and provides reasonable notice.
6. A forward plan of items to be considered on an annual cycle will be developed, and agendas with supporting briefing papers will be issued at least 3 working days before the meeting where practicable. Presentations delivered at meetings will be provided to Members in advance, or otherwise included with meeting notes. The meeting notes will form part of briefings to Cabinet, and Members will be able to request particular points made in the meeting to be clearly placed within meeting notes to further enrich and inform decision-making.

Remit

7. CAG's remit is to contribute to the development and oversight of the Council's capital programme. This will include assessing initial proposals and business cases through to delivering the programme and assessing its effectiveness in respect of corporate priorities.
8. *With respect to Capital Investment Strategy*
 - a) To keep the Capital Investment Strategy document under review ensuring that it reflects the Council's capital investment priorities and review the Strategy as part of the MTFs update.
 - b) To ensure that the Capital Strategy is informed by and consistent with the Core 2030 Plan and associated strategies, and the Asset Management Plan.

With respect to the Capital Programme

- c) To consider all strategic outline cases and full business cases for capital investment, in terms of strategic fit, financial and resource implications, risk, benefits, outcomes and legislation and compliance. To make advisory recommendations to budget holders and to provide comments on these matters from individual members to Cabinet, having regard to the scrutiny process.
- d) To check that the information available for projects is complete and sufficient to inform evidence-led and effective decision-making, and to identify areas where information may need to be strengthened to enable an informed decision to be made.
- e) To monitor the progress of each scheme within the capital programme in terms of progress to date, expenditure, and delivery of outcomes including those classified within the pipeline.
- f) To review all completed schemes with respect to outcomes and impact as well as lessons learned
- g) To monitor the resources available to support the Capital Programme and ensure that, at all times, it remains affordable, sustainable and prudent.

With respect to the Asset Management Plan

- i) Own and ensure the development of the Asset Management Plan and long-term property strategy, ensuring that it is line with Core Plan 2030 / MTFs objectives.
- j) To undertake annual review of property holding to ensure that all property is utilised appropriately and consider any capital expenditure/ receipt proposals associated with maintaining, updating, transferring, or disposing of property assets.

Each of the above areas of work are covered by the Capital Strategy and Capital Investment Strategy, which are the Council's overarching documents which aim to ensure that Council's capital investments priorities reflect Council priorities and are supported by a long term financing plan.

Decision Making

9. The CAG is a Member and Officer working group and as such is only advisory and does not have any formal decision-making authority. It will check whether the information being provided is sufficient to inform decision-making and, where appropriate, that the suitable project management documentation is available to support project delivery.
10. Following consideration of each strategic outline case and business case, it may make recommendations to budget holders in relation to due diligence costs and other matters. It will provide any comments from individual members to Cabinet. It also ensures that necessary consultation is carried out with Cabinet, relevant Portfolio Holders, Management Board, and relevant Directors as part of the decision-making process.
11. Any proposal that is outside the approved budget and policy framework will be referred to Cabinet or Council in accordance with the Constitution.

The role of Scrutiny Committee Members

12. The Chairs of both Budget & Performance Panel and Overview & Scrutiny form part of CAG. The early involvement of scrutiny at the pre-decision stage will allow them to add value by informing a decision rather than an after-the-event critique under the traditional process. This intention and their active involvement do not remove or negate the right to call in any decision made by Cabinet in this area.

Key Outcomes

10. The key outcomes from the CAG are:
 - a) An effective Capital Investment Strategy aligned with relevant regulation and the priorities of the Council.
 - b) An effective Capital Programme and investment projects pipeline optimising the capital investment resources within the Core Plan 2030.
 - c) Strategic property and asset management ensuring full optimisation of Council property assets, maximising income and return and reducing expenditure where possible but ensuring assets are well maintained.
 - d) Enhanced long term planning of capital investment, better use and management of investments, assets (including property, infrastructure etc), and accountability.
 - e) The integration of the Capital Investment Strategy in line with Council priorities as set out in the Core Plan 2030.
