1.2 There is a statutory requirement to advertise such applications for a period of 28 days in which time representations in favour or against the application can be submitted. Any representation submitted must relate to the likely impact of the grant of the licence on one or more of the four licensing objectives which are:

1.4 Police wished to see additional conditions contained within the operating schedule of the premise licence to satisfy the crime & disorder licensing objective than those originally offered by the applicant in their application. Following discussions between the Police Licensing Officer and the solicitor acting on behalf of the applicant agreement was reached to include additional conditions within the premise licence in respect of crime prevention to the satisfaction of both parties.

These conditions are attached as Appendix No.2 for Members' attention.

1.5 Any representations must relate to the likely impact of the grant of the licence in relation to all four of the licensing objectives, namely:

- Public Safety
- The prevention of crime and disorder
- Public Nuisance

Any responses and any further documentation submitted by any of the parties after the circulation of this agenda will be circulated to Members in advance of the meeting. Members are reminded that documentary or other information submitted on the day of the hearing may only be taken into account with the consent of the Sub-Committee and all the parties.

1.9 Members are reminded that they must follow the rules of natural justice and must also consider human rights implications. In particular, in accordance with Article 6, all parties are entitled to a fair hearing. Consideration also needs to be given to the right to respect for private and family life and home, contained within Article 8, although this is a qualified right, and interference is permitted where this is in accordance with the law, or is necessary in a democratic society in the interests of public safety or the prevention of crime and disorder, or for the protection of the rights and freedoms of others. Article 1 of the First Protocol provides that every person is entitled to the peaceful enjoyment of his possessions, although again this right is qualified in the public interest.
