

Public Consultation– Pedicabs

Lancaster City Council are considering the licensing of pedicabs. (Sometimes referred to as rickshaws) Pedicabs are small three wheeled vehicles with a seat, pedals, and handlebars for the operator and usually a hooded cab for passengers.

This will allow Lancaster City Council to set minimum standards for the rider and vehicle, including DBS requirements, rider competency, medical fitness, safety requirements and standards, testing, and maintenance.

Pedicabs are being considered for licensing and be permitted to operate along the pedestrianised area of the Promenade in Morecambe between the Midland Hotel and Whinnysty Lane, Heysham. Pedicabs may also be permitted for use of the public highway between the Midland Hotel and Happy Mount Park.

Why your views matter
