

## COMMITTEE MEMBERSHIPS

Over all the 78 Committee places, groups should have the following seats: Labour 31, Green 27, Liberal Democrats 9, Conservative 7, MBI 4  
 Figures shown on each table with the Group's names are for the places that groups would have on that committee if it was calculated separately and individually. Groups must have regard to these figures whenever adjustments are required, so that these proportions are reflected as far as possible. Figures in red in brackets show the actual number the group has on the Committee following the necessary adjustments in the calculation.
