  - **The Protection of Children from Harm**
2. Any representation relating to an application made under the Licensing Act 2003, **must** relate to a situation which may impact upon one or more of the above licensing objectives. If your representation does not relate to one (or more) of the licensing objectives, **it must be rejected**.

We object to the license application for entertainment from 10am - 2am each day as this is a very quiet village and the property is being advertised as a wedding venue. We understand that entertainment at weddings is important but feel it is reasonable for music & fireworks to finish at 12am (midnight). Also people leaving between 2-3am will impact on the noise issue with cars arriving and leaving.

Many of us in the village work, including weekends leaving early in the morning for work so it's important to get a good night's sleep. We have had a few instances where music has been played until the early hours of the morning and as the village is so quiet normally the sound travels and keeps you awake!!! Many people in the village have chosen Worrington because it's always been a peaceful village and having a hotel here will have a big enough impact on the village without loud entertainment until 2am.
