29th May 2024

Report of Chief Officer - Governance

PURPOSE OF REPORT

To enable Members to make a number of appointments for the current Municipal Year.

This report is public.

RECOMMENDATIONS

- (1) The Committee is requested to consider and appoint representatives, as detailed in the report below.

1. INTRODUCTION

1.1 APPOINTMENT OF PRE-DECISION SCRUTINY CHAMPION

Pre-Decision Scrutiny Champion

This is the process by which members of the Overview and Scrutiny Committee become involved with decisions at a stage before the decision is formally taken.

This approach proves beneficial as it:

- Involves non-executive councillors at the pre-decision stage.
- Reduces the need for call-ins through developing an understanding of an issue and ensuring that reports for decision adequately reflect different options and approaches.
- Adds value to reports through wider consultation.

There are many ways in which pre-decision scrutiny can be undertaken and achieved as follows:

- Examination of the List of Forthcoming Key Decisions.
- Information obtained arising from discussions with Cabinet Members and Chief Officers.
- Examination of the Council Plan and budget information.

The role of the Pre-Scrutiny Champion is to take the lead and help develop this process. He/she can:

- ❑ Liaise with Members of Overview and Scrutiny to highlight potential areas for pre-decision scrutiny.
- ❑ Consider and review the List of Forthcoming Key Decisions.
- ❑ Assist other Councillors (including Members of the Committee) to identify pre-scrutiny issues and propose ways in which these can be approached.
- ❑ Provide comments on the structure and functioning of the List of Forthcoming Key Decisions to assist the City Council with its improvement and advancement.

The Committee is asked to appoint a Councillor to undertake the task of Pre-Scrutiny Champion.
