Taxi and Private Hire Working Group – Appointment

6 June 2024

Report of the Licensing Manager

PURPOSE OF REPORT

The purpose of the report is to appoint members of Licensing Committee to the Taxi and Private Hire Working Group. Members may also wish to re-visit trade representation at the meeting and invite expressions of interest for attendance.

This report is public.

Recommendations.

- (1) That the Committee appoint at least three members of Licensing Committee to attend and contribute to the taxi working party.
- (2) The chair of Licensing Committee has historically attended and chaired the taxi working party meetings.

Report

- 1.1 It was approved at a meeting of the former Licensing Regulatory Committee on 31st August 2017 to establish a taxi and private hire working party.
- 1.2 The taxi and private hire working group was designed to bring together individuals, including elected members, stakeholders and Council Officers who possess the relevant knowledge and skills of the subject area, who will act collectively to undertake assigned tasks and activities to achieve the project's objectives; in this case ensuring the continued review, development and improvement of the Councils taxi and private hire services.
- 1.3 The make-up of the taxi working party was agreed as follows.
 - Councillors (including Chair of Licensing Committee)
 - Licensing Manager
 - Licensing Enforcement Officer(s)
 - 1 x Private Hire representatives
 - 1 x Hackney Carriage representatives
- 1.5 Due to limited numbers of the licensed trade expressing an interest in representing the trade /contributing to the meeting, it was agreed that all those expressing an interest could attend. It included 1 private hire operator, 4 licensed drivers (private hire and hackney carriage).
- 1.6 Members may wish to amend the make-up of the group and request further expressions of interest from members of the local licensed trade. All those previously attending will be invited to contribute.

- 1.7 It is important that a cross section of individuals is invited to attend the group so that members receive up to date, accurate views of the majority. Allowing them to make informed policy decisions and recommendations.
