PREMISES LICENCE**

Report of Licensing Officer

PURPOSE OF REPORT

To enable members to determine an application for a review of a Premises Licence under Section 51 of the Licensing Act 2003 submitted by Home Office Immigration Enforcement. The application relates to Bombay Balti Restaurant, 16 China street, Lancaster, LA1 1EX.

The report is public

RECOMMENDATIONS

The Sub-Committee is requested to consider the application from Home Office Immigration Enforcement for the review of the premise licence, representations made by responsible authorities, other persons and any submissions made by the premises licence holder.

In accordance with Section 52 (3) and (4) of the Licensing Act 2003, the Sub-Committee must take such of the following steps as it considers necessary for the promotion of the licensing objectives:

- (a) to modify the conditions of the licence,
- (b) to exclude a licensable activity from the scope of the licence,
- (c) to remove the designated premises supervisor
- (d) to suspend the licence for a period not exceeding three months,
- (e) to revoke the licence
- (f) take no action

The matter for decision, therefore, is which, if any, of these steps should be taken.

1.0 Introduction

- 1.1 The proceedings set out in the 2003 Act for reviewing premises licences and club premises certificates represent a key protection for the community where problems associated with the licensing objectives occur after the grant or variation of a premises licence or club premises certificate.
- 1.2 At any stage, following the grant of a premises licence or club premises certificate, a responsible authority, or any other person, may ask the licensing authority to review the licence or certificate because of a matter arising at the premises in connection with any of the four licensing objectives.
- 1.3 Home Office Immigration Enforcement has submitted an application for review of a premises licence under Section 51 of the Licensing Act 2003. The application relates to Bombay Balti Restaurant, 16 China street, Lancaster, LA1 1EX.

A copy of the application and supporting evidence is at **Appendix 1** of the report. The grounds for submitting the review are based on one of the four licensing objectives, namely

- The prevention of crime and disorder

2.0 Premises Licence Details

- 2.1 A copy of the premises licence for Bombay Balti is attached at **Appendix 2**. This licence was granted to the premises on 29th January 2020.
- 2.2 Members will note that the application to review the premises licence is in the name of Nazrul Khan and the premises licence is in the name of Bombay LA1 Ltd. The reason for this is that in accordance with section 42 of the Licensing Act 2003, the licence holder applied to transfer the premises licence on 16th February 2026 from Mr Nazrul Khan to Bombay LA1 Ltd.

Zakia-El-Mahni is listed as the sole Director of Bombay LA1 Ltd on Companies House. Zakia-El-Mahni is believed to be Mr Nazrul Khan's partner. Mr Khan remains on the premises licence as the Designated Premises Supervisor (DPS).

- 2.3 The premises licence facilitates the following licensable activities: -

Supply of alcohol for consumption ON the premises only.

Monday-Saturday	10:00 - 00:00 hours
Sunday	12:00 - 23:30 hours
Good Friday	12:00 - 23:30 hours
Christmas Day	12:00 - 23:30 hours
New Year's Eve except a Sunday	10:00 - 00:00 hours
New Year's Eve on a Sunday	12:00 - 23:30 hours

- 2.4 In accordance with the relevant regulations, all parties have been given Notice of the Hearing. The Notice of Hearing is attached at **Appendix 3** of the report.
- 2.5 Members are reminded that they must follow the rules of natural justice and must also consider human rights implications. In particular, in accordance with Article 6, all parties are entitled to a fair hearing.

3.0 Legal background to Review Application

3.1 Under Section 51 (1) of the Licensing Act 2003, a responsible authority or other person may apply to the licensing authority for the review of a licence.

The grounds for review must relate to one or more of the licensing objectives and as Members will be aware, these are:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance and
- the protection of children from harm

3.2 An application for review must be copied to the premises licence holder and to the responsible authorities. Once such an application is received, the licensing authority must place a notice at the premises, and there is then a period of 28 days during which representations may be made to the licensing authority.

3.3 A copy of the notice which was displayed at the premises during the 28-day period is attached at **Appendix 4**. Licensing Officers have made checks throughout this period which commenced on 15 January 2026 and concluded on 11 February 2026 to ensure that the notice was still in place.

3.4 Members are reminded that representations can either be in support of or against an application for review of a premises licence. The representation must relate to the likely impact of the grant of the licence in relation to one or more of the four licensing objectives.

3.5 During the statutory 28-day consultation period no representations have been received from responsible authorities or any other persons.

4.0 Details of application to review from Home Office (Immigration Enforcement)

4.1 Section 36 and Schedule 4 of the Immigration Act 2016 (the 2016 Act) amended the Licensing Act 2003 (the 2003 Act) to introduce immigration safeguards in respect of licensing applications made in England and Wales on or after 6 April 2017. The intention is to prevent illegal working in premises licensed for the sale of alcohol or late-night refreshment.

4.2 Home Office Immigration Enforcement Officers visited Bombay Balti Restaurant, 16 China Street, Lancaster, LA1 1EX, on four occasions between October 2015 and February 2025 and, on each visit, the officers encountered a number of individuals who were identified as working illegally.

A total of £85,000 worth of civil penalties has been issued due to illegal working at the premises. none of these penalties have been paid in full due to the company entering into liquidation. This failure to comply with the civil penalty requirements was taken into consideration when the Home Office Immigration team were assessing action against the licence .

4.3 Home Office Immigration Enforcement service are satisfied that activities undertaken at Bombay Balti Restaurant involving illegal workers and employment practices are clearly prejudicial to the prevention of immigration crime including illegal working.

4.4 Immigration Enforcement has submitted that the license holder and designated premises supervisor repeatedly failed to conduct right to work checks prior to employees commencing employment and therefore Immigration Enforcement suggests that the premises licence is revoked. Merely remedying the existing situation (for instance by the imposition of additional conditions or a different DPS), is insufficient to act as a deterrent to the licence holder and individuals involved in the management of the business from employing workers that lack the relevant permission to work in the UK.

4.5 Home Office Immigration have been invited to attend the Licensing Sub-Committee to present their evidence and answer any questions from persons/parties in attendance.

5.0 Government Guidance under Section 182 of the Licensing Act 2003 in relation to a review hearing following a representation involving Crime and Disorder

5.1 A number of reviews may arise in connection with crime that is not directly connected with licensable activities. For example, reviews may arise because of drugs problems at the premises, money laundering by criminal gangs, the sale of contraband or stolen goods, the sale of firearms, or the sexual exploitation of children. Licensing authorities do not have the power to judge the criminality or otherwise of any issue. This is a matter for the courts. The licensing authority's role when determining such a review is not therefore to establish the guilt or innocence of any individual but to ensure the promotion of the crime prevention objective.

5.2 Reviews are part of the regulatory process introduced by the 2003 Act and they are not part of criminal law and procedure. There is, therefore, no reason why representations giving rise to a review of a premises licence need be delayed pending the outcome of any criminal proceedings. Some reviews will arise after the conviction in the criminal courts of certain individuals, but not all. In any case, it is for the licensing authority to determine whether the problems associated with the alleged crimes are taking place on the premises and affecting the promotion of the licensing objectives. Where a review follows a conviction, it would also not be for the licensing authority to attempt to go beyond any finding by the courts, which should be treated as a matter of undisputed evidence before them.

5.3 Where the licensing authority is conducting a review on the grounds that the premises have been used for criminal purposes, its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime prevention objective. It is important to recognise that certain criminal activity or associated problems may be taking place or have taken place despite the best efforts of the licence holder and the staff working at the premises and despite full compliance with the conditions attached to the licence. In such circumstances, the licensing authority is still empowered to take any appropriate steps to remedy the problems. The licensing authority's duty is to take steps with a view to the promotion of the licensing objectives and the prevention of illegal working in the interests of the wider community and not those of the individual licence holder.

5.4 There is certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously. These are the use of the licensed premises:

- for the sale and distribution of drugs controlled under the Misuse of Drugs Act 1971 and the laundering of the proceeds of drugs crime.
- for the sale and distribution of illegal firearms.
- for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected.
- for prostitution or the sale of unlawful pornography.
- by organised groups of paedophiles to groom children.
- as the base for the organisation of criminal activity, particularly by gangs.
- for the organisation of racist activity or the promotion of racist attacks.
- for knowingly employing a person who is unlawfully in the UK or who cannot lawfully be employed as a result of a condition on that person's leave to enter.
- for unlawful gambling; and
- for the sale or storage of smuggled tobacco and alcohol.

5.5 It is envisaged that licensing authorities, the police and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance – should be seriously considered.

6.0 Statement of Licensing Policy 2023-2027

6.1 The relevant parts of the Council's current Statement of Licensing Policy in respect of the review of a premises licence or club premises certificate are detailed in Section 4.9 (page 18) and attached for Members attention at **Appendix 5** to this report.

Within the Statement of Licensing Policy at section 4.94 are various triggers that may give cause for review of a premises licence:

- continual complaints of noise from or in the vicinity of the premises.
- continual complaints of noise or intimidation from customers outside the premises.
- an accumulation of breaches of licensing conditions.
- poor management where the licensing objectives are undermined.
- underage sales of alcohol (persistent or otherwise); crime-related activity; anti-social behaviour.
- sales of alcohol outside of the permitted hours, etc.

The application for review of Bombay Balti Restaurant by Home Office Immigration Enforcement satisfies one or more of these triggers.

6.2 The Licensing Authority shall expect applicants for a review to gather sufficient and relevant evidence relating to the specific premises that is subject to the review. This may include a diary of events and any potential witnesses.

Home Office Immigration have provided evidence in support of the review.

7.0 Options for Members to consider

1. To modify the conditions of the licence.
2. To exclude a licensable activity from the scope of the licence.
3. To remove the designated premises supervisor.
4. To suspend the licence for a period not exceeding three months.
5. To revoke the licence.
6. Take no action.

7.1 Members should provide full and detailed reasons for their decisions.

8.0 Conclusion

8.1 Members are requested to consider the application from Home Office Immigration Enforcement for the review of the premise licence of Bombay Balti Restaurant, 16 China street, Lancaster, LA1 1EX. A restaurant and take-away licensed for the provision of the supply of alcohol.

8.2 Members of the Sub-Committee are asked to consider representations made by the applicant, information provided by the premises licence holder, their representative and any information provided during the hearing.

8.3 Members should consider the application for review of the premises licence and any steps it considers necessary for the promotion of the licensing objectives.

Immigration Enforcement visited Bombay Balti Restaurant, 16 China Street, Lancaster, LA1 1EX, on four occasions between October 2015 and February 2025 and, on each visit, the officers encountered a number of individuals who were identified as working illegally.

Licensed Premises History

The premises licence number is LAPLWA0057. The licence was granted in July 2021 by Lancaster City Council and has been held by Nazrul Islam KHAN, 196 Torrisholme Road, Lancaster, LA1 2TD. Nazrul Islam KHAN is listed as the Designated Premises Supervisor (DPS) for the premises. Nazrul Islam KHAN hold a personal licence number PA0525, issued by Lancaster.

Bombay Balti Restaurant is listed on Companies House under the company name of ASHA1LANCASTER Ltd, the company registration number is 14766263. Companies House show that it is currently in liquidation and was incorporated on 29 March 2023. Farhat AFZA is the listed director appointed on 29 March 2023.

Licensable activities authorised by the licence:

The supply of alcohol

Civil Penalties

Multiple referrals have been made to the Civil Penalty Compliance Team in relation to the illegal working. It is to note that Bombay Balti Restaurant has a history of employing illegal workers and, consequently, civil penalties issued to the liable party. All the previous civil penalties remain unpaid, and evidence suggests that the business has engaged in 'phoenixism' by liquidating previous companies and re-opening in a new identity to evade financial sanctions, continuing with its non-compliant activity and operating under the control of the same connected persons.

Following the visit on 28 February 2025, a £45,000 penalty was issued to Asha1Lancaster Limited on 01 May 2025 in respect of one individual with no right to work. No objection has been received for this penalty. The penalty is still unpaid and outstanding. The company is in liquidation – this was since 04 July 2025.

Following the visit on 05 August 2021, a £10,000 penalty was issued to Bombay Balti Lancaster Ltd on 30 September 2021 in respect of one individual with no right to work. No objection was received for this penalty. £3,100 remains unpaid and outstanding. The company dissolved on 02 January 2024.

Following the visit on 12 September 2018, a £20,000 penalty was issued to Naz Enterprise (Lancs) Limited on 25 February 2019 in respect of one individual with no right to work. No objection was received for this penalty. The penalty is still unpaid and outstanding. The company dissolved on 01 February 2022.

Following the visit on 10 October 2015, a £10,000 penalty was issued to Naz Enterprise (Lancs) Limited on 10 November 2015 in respect of one individual with no right to work. Naz Enterprise (Lancs) Limited objected to the penalty which was considered and on 21 December 2015 it was decided to maintain the penalty. £8,200 remains unpaid and outstanding. The company dissolved on 01 February 2022.

A total of **£85,000** worth of civil penalties have been issued due to illegal working at the premises.

Enforcement Visit: 28 February 2025

The North West Immigration Compliance and Enforcement (ICE) team, along with the Lancashire Police, visited Bombay Balti Restaurant, 16 China Street, Lancaster, LA1 1EX, on 28 February 2025, after intelligence was received that the premises was employing illegal workers. During the visit the officers encountered 7 people working at the premises of which one was identified as working illegally.

Entry to the premises was gained at approximately 18:42hrs under Section 179 Licensing Act 2003. Upon entering, Immigration Officers encountered the following individuals:

████████████████████

████████ was encountered in the restaurant kitchen whilst washing pots and pans and wearing a chef jacket (image below).

A photo of ██████████ when encountered in the premises kitchen

Home Office records showed that ██████████ entered the UK on a visit visa in 2021 and later made a protection claim. At the time of the visit, he had an outstanding appeal

against the decision to refuse him protection and his right to work was restricted to the Shortage Occupation List (SOL) only¹.

An illegal working interview was conducted with ██████, during which he disclosed that he had been employed as a kitchen porter at the business since September 2024. He reported working six days per week, from 5:00 PM to 11:00 PM, on a consistent schedule.

██████ stated that he was hired by Nazrul Islam KHAN, who also assigned his working hours and daily responsibilities. He confirmed receiving weekly cash payments of £300 (equivalent to £8.33 per hour which is below national minimum wage at the time), paid directly by KHAN every Sunday. ██████ acknowledged that he did not pay income tax, despite holding a valid National Insurance number.

When asked about pre-employment checks, ██████ explained that KHAN inquired about his right to work prior to hiring him. ██████ presented a card that he believed indicated work permission; however, no official documentation or verification codes were provided.

Nazrul Islam KHAN (Licence Holder/DPS)

Nazrul Islam KHAN, the Premises Licence Holder/DPS, was present at the restaurant and was interviewed.

He identified himself as the “acting manager” but claimed that he no longer held responsibility for hiring staff, which was managed by ██████. KHAN confirmed that ██████ had been working at Bombay Balti Restaurant for approximately one year in the role of kitchen porter. He stated that ██████ typically worked around 20 hours per week, including additional hours during busy weekends. ██████ was paid weekly in cash, although KHAN was unable to specify the amount, noting that payments were handled by ██████.

When asked about ██████’s right to work, KHAN stated that he believed ██████ was permitted to work based on the documentation shown on his card.

Enforcement Visit: 05 August 2021

On 05 August 2021 the Greater Manchester Immigration Compliance and Enforcement (ICE) team attended an enforcement visit to Bombay Balti Restaurant. The follow individual was encountered:

████████████████████

When the officers entered the premises ██████████ was working in the restaurant as a waiter.

Home Office records showed that ██████████ entered the UK illegally in January 2014 and never attempted to regularise his stay in UK. At the time of the visit, he had no right to live and work in UK.

An illegal working interview was conducted with ██████████ where he admitted having been working on and off at the restaurant for approximately three years as a waiter. His working hours varied, typically ranging from 3 to 4 hours on the days he was needed, and his schedule was not fixed—he worked as and when required.

██████████ stated that the job was given to him by ██████████ a, who also determined his working days, hours, and daily tasks. He was paid in cash by ██████████, usually between £25 and £30 for a few hours of work, and he also received food from the restaurant as a form of support. He did not pay income tax or have a National Insurance number.

Questioned about pre-employment checks. ██████████ stated that he was not asked to provide any documents before being hired, as he was familiar to them from having been in UK for 30 years. ██████████ believed that his employer was unaware of him not legally allowed to work in the UK.

It was found during the visit that the business had previously been served 2 civil penalties for employing illegal workers with £28,200 of the previous penalties still outstanding. A closure notice for Bombay Balti was authorised and the restaurant was closed for 24 hours pending a hearing at Manchester Magistrates Court for a compliance order. The restaurant was authorised to be closed for a further 24 hours and a compliance order was granted by Preston Magistrates Court on 07 August 2021.

Nazrul Islam KHAN (Licence Holder/DPS)

KHAN was encountered whilst working in the restaurant as a chef, he identified himself as the business owner since the 01 June 2021. The officers, however, stated that they have encountered KHAN on a previous visit, when he also stated to be the owner.

An illegal working interview was conducted with KHAN, during which he confirmed that ██████████ had been working at the restaurant since the first week of July 2020. ██████████ worked three days per week, typically from 5:30 PM to 11:00 PM, although he occasionally finished earlier when business was quiet. KHAN stated that he personally hired ██████████ and was responsible for assigning his working days, hours, and daily tasks.

KHAN admitted that he did not maintain formal employee records. In exchange for ██████████'s assistance, he provided food rather than wages. He did not request any documentation from ██████████ prior to commencing work, as he considered the arrangement informal and not a formal employment. KHAN also stated that he was unaware that ██████████ did not have permission to work in the UK.

Due to the business previously receiving two civil penalties for employing illegal workers—of which £28,200 remains unpaid, KHAN was issued a 24-hour closure notice pending a compliance order hearing at Manchester Magistrates' Court. As the court was unavailable to issue the order on 6 August 2021, the closure was extended by an additional 24 hours. Following a hearing at Preston Magistrates' Court on 7 August 2021, a compliance order was granted.

Enforcement Visit: 10 October 2015

On 10 October 2015 the Greater Manchester Immigration Compliance and Enforcement (ICE) team attended an enforcement visit to Bombay Balti Restaurant. The follow individual was encountered:

████████████████████

████████████████████ was discovered working on the premises during the visit.

████████████████████ entered the UK on a working holiday visa from August 2009 to August 2011. He overstayed the visa and was living and working illegally.

As a result of this breach, a civil penalty was imposed on Naz Enterprise (Lancs) Limited. This enforcement action was taken in accordance with immigration compliance regulations to address the unlawful employment practices identified during the investigation.

As highlighted earlier in the review, the penalty remained unpaid, and the company was later dissolved. Documentation included in the review pack provides clear evidence that Nazrul Islam Khan, the current licence holder, was in charge of the business at the time of the incident. This establishes a direct link between the management of the business and the failure to comply with legal obligations, which is a significant factor in assessing the licence holder's suitability and compliance history.

Reasons for Review

Section 36 and Schedule 4 of the Immigration Act 2016 amended the Licensing Act 2003 to introduce immigration safeguards in respect of licensing applications made in England and Wales on or after 06 April 2017. The intention is to prevent illegal working in premises licensed for the sale of alcohol or late-night refreshment.

Immigration Enforcement officers conducted three separate visits to Bombay Balti Restaurant between October 2015 and February 2025. On each occasion, at least one individual was found to be working illegally. This shows a repeated undermining of the prevention of crime and disorder licensing objective.

Nazrul Islam KHAN, the business owner, licence holder, and Designated Premises Supervisor, admitted to employing these individuals without conducting the legally required pre-employment checks. Despite prior enforcement visits and financial penalties levied for illegal working, KHAN failed to implement any corrective measures to ensure compliance with the Licensing Act 2003.

Under Section 15 of the Immigration, Asylum and Nationality Act 2006, employers can face a civil penalty if they employ someone who does not have the legal right to work in the UK. The civil penalty process is administered by a separate team.

Following each immigration enforcement visit, a civil penalty was issued. However, none of these penalties have been paid in full due to the company entering into liquidation. This failure to comply with the civil penalty requirements was taken into consideration when assessing action against the licence.

The continued employment of illegal workers, coupled with the dissolution of the company associated with the premises following each enforcement action—presumably to evade civil penalties—strongly suggests a pattern of intentional non-compliance. This conduct not only undermines the integrity of the UK’s immigration system but also reflects a serious undermining of the Licensing Act 2003.

Whether by negligence or wilful blindness illegal workers were engaged in activity on the premises, yet it is a simple process for an employer to ascertain what documents they should check before a person can work. All employers are dutybound by law to conduct these checks, and guidance can be found on the GOV.UK website or by using a search engine. Additional information on how to conduct these checks is available online, this includes the Home Office’s official YouTube page. It is an offence to work when a person is disqualified to do so, and such an offence can only be committed with the co-operation of a premises licence holder or its agents. It is also an offence to employ illegal workers where there is reason to believe this is the case.

Section 182 guidance at point 11.27 states that certain activity should be treated particularly seriously, and this includes employing someone who is disqualified from that work by reason of their immigration status in the UK. 11.28 of the guidance states that it is expected that revocation of the licence – even in the first instance – should be seriously considered.

Immigration Enforcement submits that for commercial reasons those engaged in the management of the premises employed illegal workers and a warning or other activity falling short of a review is inappropriate; therefore, Immigration Enforcement has proceeded to review the premises licence.

Outcome Sought

The objective of the Licensing Act 2003 (the Act) is to provide a clear, transparent framework for making decisions about applications by individuals or businesses wishing to sell or supply alcohol or provide certain types of regulated entertainment and late-night refreshment.

There are four licensing objectives which underpin the Act, and which need to be taken into account and promoted throughout the licensing process.

The licensing objectives are:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance and
- the protection of children from harm.

Bombay Balti Restaurant under the control of Nazrul Islam KHAN has been found employing illegal workers. The licence holder has repeatedly overlooked the rules and laws in place to prevent crime and disorder in relation to illegal working. The licence holder would have been aware of his responsibilities to uphold the licensing objectives as they are clearly defined as part of the premises licence application.

Immigration Enforcement asks that the premises licence is **revoked**.

Merely remedying the existing situation (for instance by the imposition of additional conditions or a suspension) is insufficient to act as a deterrent to the licence holder and other premises' licence holders from employing illegal workers and facilitating disqualified immigrants to work illegally.

This submission and appended documents provide the licensing subcommittee with background arguments and information pertinent to that contention. These provide the sub-committee with a sound and defensible rationale as to why it should revoke the licence.

In any event the Licensing Authority is required to review their Statement of Licensing Policy every 5 years, the previous policy ran from 2016 - 2021.

1.1.3 This Licensing Policy sets out the issues that the Licensing Authority will consider when determining licences throughout the district and encompasses experience gained in the implementation and regulation of the Licensing Act 2003.

1.1.4 In determining this Policy the Licensing Authority has had regard to the Guidance issued under Section 182 of the Licensing Act 2003. In determining applications under the 2003 Act the Licensing Authority shall consider:

- the promotion of the four licensing objectives
- representations and evidence presented by all parties, together with any relevant supporting documentation
- the latest guidance issued by the government
- the licensing authority's own Statement of Licensing Policy

1.2 Aim

1.2.1 The 2003 Act requires the Licensing Authority to carry out its various licensing functions to promote the four licensing objectives.

1.2.2 The aim of this Licensing Policy is to set out how the Licensing Authority seeks to promote the four licensing objectives, which are:

- the prevention of crime and disorder
- public safety
- the prevention of public nuisance
- the protection of children from harm

1.2.3 These four objectives will be the paramount considerations when determining a course of action in relation to the Licensing Authority's licensing functions. Each objective will be given equal importance.

1.3 Purpose

1.3.1 The main purpose of this Policy is to provide clarity to applicants, other persons and Responsible Authorities on how the Licensing Authority will determine applications to supply alcohol, provide regulated entertainment and operate late night refreshment. As the 'vicinity' test has now been removed, the Licensing Authority will consider all representations from any person however, the Licensing Authority shall apportion the weight of the representation between those persons immediately affected by the premises and its operation and those persons who may have a lack of knowledge of the area or of personal experience.

1.3.2 Where revisions are made to the Guidance there may be a period when this Policy is inconsistent with the Guidance. In these circumstances the Licensing Authority shall have regard, and give appropriate weight, to the revised Guidance in conjunction with this Licensing Policy.

1.4 Consultation

1.4.1 Before determining its policy for any five-year period, the Licensing Authority will consult the following:

- the Chief Officer of Police
- the Fire and Rescue Authority
- the Director of Public Health
- persons/bodies representative of local holders of premises licences
- persons/bodies representative of local holders of club premises certificates
- persons/bodies representative of local holders of personal licences
- persons/bodies representative of businesses and residents in the district

The Licensing Authority may consult beyond the statutory requirements, and seek comments from additional bodies, groups or individuals as appropriate.

1.5 Fundamental Principles

1.5.1 This Policy sets out the Licensing Authority's general approach to the making of licensing decisions and is consistent with the provisions of the 2003 Act. Nothing in the Policy will undermine the right of any individual to apply for authorisations and to have any such application considered on its individual merits. Similarly, nothing in the Policy will override the right of any person to make representations on an application or to seek a review of a Licence or Certificate in accordance with the provisions of the 2003 Act.

1.5.2 This Policy recognises that the Equality Act 2010 places a legal obligation on public authorities to have due regard to the need to eliminate unlawful discrimination, harassment and victimisation; to advance equality of opportunity; and to foster good relations, between persons with different protected characteristics. The applicant must give due consideration to disabled persons under this Act for access and egress so that they are not at a substantial disadvantage.

1.5.3 The introduction of the Policing & Crime Act 2009 extends Police closure powers. The Licensing Authority further acknowledges and supports that this legislation has been introduced against the background of increasing alcohol-related anti-social behaviour and subsequent hospital admissions that has led to criticism due to the increased cost to local residents. This Act signifies a shift back from deregulation towards offering greater support for communities being adversely affected.

1.5.4 The Licensing Authority may recommend actions over and above the requirements of a licence/certificate and applicants are asked to give these recommendations serious consideration, as adoption of best practice may be considered in the investigation of complaints if they arise in connection with the premises in the future.

1.5.5 The Licensing Authority may only impose conditions on a premises licence if they are consistent with the operating schedule or after receiving relevant representations and only if a Licensing Committee or Licensing Sub-Committee determines the matter. Any conditions attached to the licence must relate to the promotion of the Licensing Objectives.

1.5.6 The Licensing Authority acknowledges that the Government believes that in some circumstances flexible hours for the sale of alcohol can help to ensure that the concentrations of customers leaving premises simultaneously are avoided.

1.5.7 Where licensed premises are surrounded by housing, unrestricted extensions of hours could extend the time of disturbance to later in the night; therefore, the Licensing Authority acknowledges that tighter control may be justified in residential areas always however having regard to the individual merits of any application.

1.5.8 In general terms the Licensing Authority will closely scrutinise applications for premises licences showing a late terminal hour so as to be satisfied that they will have no adverse impact on the Licensing Objectives.

1.5.9 Once people are beyond the control of the individual, club or business holding the relevant authorisation, licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour. Licensing law will always be part of a holistic approach to the management of the evening and night-time economy in the district.

1.5.10 The Licensing Authority expects every licence holder or event organiser to minimise the impact of their activities on the surrounding area and any anti-social behaviour created by their customers in and within the vicinity of their premises by taking appropriate measures and actions consistent with that responsibility. Whether or not incidents can be regarded as being in the vicinity of the licensed premises is recognised as a question of fact and will depend on the specific circumstances in each case. In cases of dispute, the question will ultimately be decided by the courts, where an appeal is heard by them. In addressing this matter, the Licensing Authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the area concerned.

1.5.11 The type of entertainment offered on licensed premises and the closing hour of premises permitted to provide alcohol to the public often have a direct link to crime and disorder, public nuisance and public safety issues. For example, there is generally more likelihood of crime and disorder and public safety problems occurring in a music and dance venue permitted to sell alcohol and open until 3am than there is in a well-managed public house located in a quiet back street that provides limited regulated entertainment and closes at 11pm.

2.0 General Principles

2.1 Legislation

2.1.1 In undertaking its licensing function under the Act, the Licensing Authority is also bound by other legislation, including:

- Section 17 of the Crime and Disorder Act 1988;
- Human Rights Act 1998, with regard being given to Article 6, Article 8 and Article 1 of the first Protocol
- Equalities Act 2010
- Policing & Crime Act 2009
- Business and Planning Act 2020

2.1.2 In all applications relating to premises, applicants should specify methods by which they will promote the four Licensing Objectives in their operating schedules.

2.2 Revisions to Policy

2.2.1 The Policy shall be subject to periodic reviews and further consultation as and when required. The Licensing Authority may revise this Policy following changes to, for example:

- Local circumstances;
- The Licensing Act, associated regulations or statutory guidance;
- Other national legislation; or
- The policies and practices of a Responsible Authority

2.3 Areas of Concern

2.3.1 Specific areas of concern include:

- Sales of alcohol to under 18s, directly and by-proxy
- Noise nuisance caused by regulated entertainment
- Nuisance caused by hot-food take-aways, particularly parking of delivery vehicles
- Dispersal of patrons from licensed premises
- Drink and needle spiking
- Sexual harassment and violence towards women and girls
- Detailed door security operating procedures and risk assessments

2.3.2 Applicants for a premises licence are advised to include in their Operating Schedule, (where applicable) specifically how they will approach the areas of concern highlighted. Including how they will prevent the sale of alcohol to minors, what measures are implemented by the premises to minimise any reports of noise nuisance caused by regulated entertainment, to manage the threat of spiking in their premises, policies on how reports of violence or sexual harassment of women will be handled by the premises, How the premises will disperse customers, minimising the impact on local residents and parking provision for delivery-drivers operating for late night refreshment venues.

2.3.3 Experience indicates that a last time of entry condition assists in the promotion of the licensing objectives. It is therefore expected that applicants for late licensed premises will detail in their operating schedules that there will be no new entry or re-entry to the premises after 1am.

2.4 Children

2.4.1 The 2003 Act requires applicants for premises licences and club premises certificates to copy details of their applications to a body which:

- a) represents those who, in relation to any such area, are responsible for, or interested in, matters relating to the protection of children from harm, and
- b) is recognised by the Licensing Authority for that area for the purposes of this section as being competent to advise it on such matters.

2.4.2 The Licensing Authority's policy is that the Responsible Authority in relation to the protection of children from harm is Lancashire County Council, Children's Safeguarding team.

2.4.3 The Licensing Authority will expect licensees of premises giving film exhibitions to include, in their operating schedules, arrangements for restricting children from viewing age restricted films. Such premises will be subject to a mandatory condition requiring that access will be restricted to only those who meet the required age limit in accordance with any certificate granted by the British Board of Film Classification (BBFC), or in specific cases where such certificates have not been granted, the Licensing Authority.

2.4.4 The Licensing Authority does not intend to adopt its own system of film classification but reserves the right to impose different age restrictions on admittance to film exhibitions from those imposed by BBFC classifications.

2.4.5 If the Licensing Authority attaches an age-restriction to any film that differs from the BBFC classification or attaches one to an unclassified film, the information about the Licensing Authority's classification will be published at the venue.

2.4.6 The Licensing Authority shall not seek to limit the access of children to any licensed premises unless it is necessary for the prevention of physical, moral or psychological harm. In all other cases it will be left to the discretion of the Licensee but the Licensing Authority shall expect that the licensee shall give full consideration of access by children at all times and ensure that there is a policy in place to promote this licensing objective.

2.4.7 However, the following are examples of issues that are likely to raise concern: -

- Where entertainment or services of an adult or sexual nature are common thereby likely to undermine the licensing objectives;
- Where relevant premises are known to allow unaccompanied children;
- Where the applicant has described in the Operating Schedule that 'no adult or similar entertainment shall take place on the premises' but intends to hold an event liable to compromise the protection of children from harm licensing objective;
- Where there has been early indication and subsequent evidence of poor management of the premises leading to undermining of the licensing objectives;
- Where the premises have a known association with drug taking or dealing;
- Where the current staff have received convictions or cautions for serving alcohol to minors or where the premises has a reputation for underage drinking or failures in test purchasing;
- Where there is a strong element of gambling on the premises;
- Where there is likely to be underage events with the intention of selling or exposing alcohol for sale or where the intention is to permit adults to this event;
- Where the supply of alcohol for consumption on the premises is the exclusive or primary purpose of the services provided at the premises.

2.4.8 Examples of entertainment likely to cause concern are entertainment or services of an adult or sexual nature including topless bar staff, striptease, lap, table or pole dancing, performances involving feigned violence or entertainment involving strong or offensive language.

2.4.9 This Licensing Authority strongly advises that where music and alcohol sales are the main reasons for the event taking place, that persons under 18 years are not admitted unless the organisers have extremely robust procedures for ensuring those under 18 years do not have access to any alcohol – this includes sales, proxy sales, and bringing it onto the event.

2.4.10 Where there are events solely provided for young people, for example an Under 18's disco in a nightclub or similar relevant premises, the Licensing Authority strongly advises that adequate and sufficient measures are put in place so that young people cannot gain access to alcohol or energy drinks and further that no alcohol is served to any supervising adults at such events. The management of the premises should also ensure that measures are taken to prevent alcohol being brought onto those premises.

2.4.11 In particular, the Licensing Authority will consider what conditions are offered in the Operating Schedule. The applicant in completing the Operating Schedule is required to describe the steps they intend to take to promote this Licensing Objective and highlight any adult entertainment or services, etc. that may give rise to concern in respect of children. However, where the applicant does not state the steps they intend to take to promote this Objective but does state that 'no adult or similar entertainment shall take place on the premise', the Licensing Authority shall consider this restriction to be a condition on the Licence/certificate from the publication of this Policy.

2.5 Licensing Hours

2.4.1 With regard to licensing hours the Licensing Authority will consider each application on its individual merits.

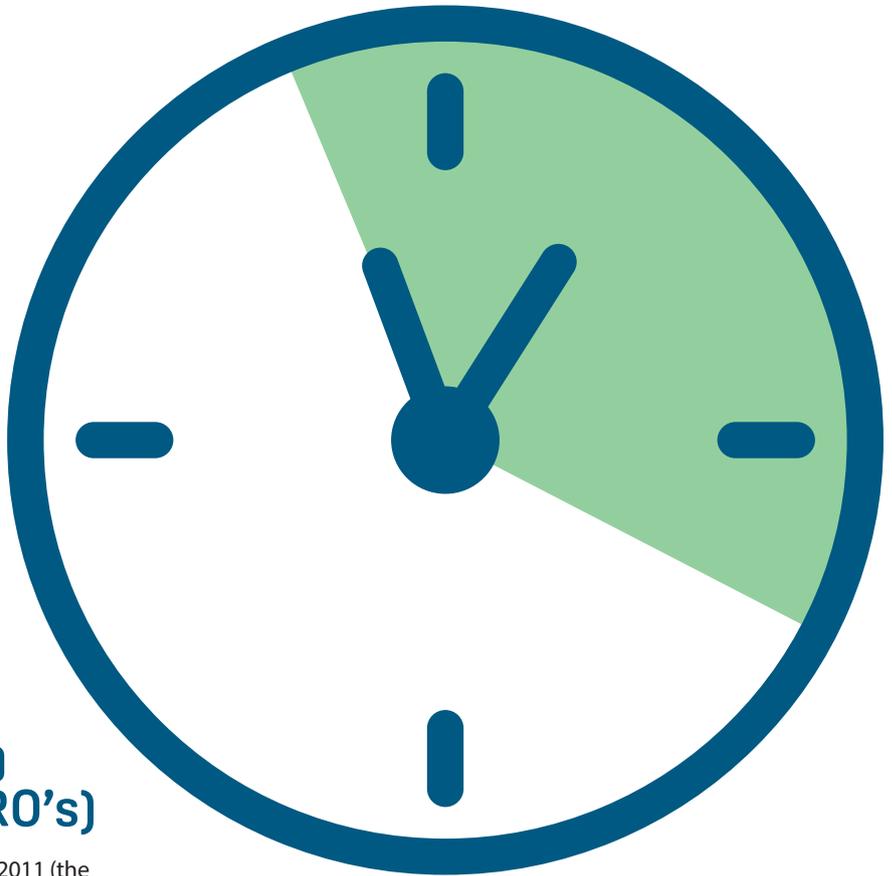

2.5.2 Applications for premises licences with a terminal hour later than 12 midnight where the sale or supply of alcohol for consumption on the premises is the main activity or where the sale or supply of alcohol is accompanied by musical entertainment, will be subject to close scrutiny by the Responsible Authorities to ensure that there will be no adverse impact on the Licensing Objectives. Specifically, the applicant should ensure that the operating schedule for such premises demonstrates how the Licensing Objectives will be met. This is a general policy and does not automatically mean that all applications will result in licences being granted until midnight or that no applications will be granted with a closing hour after midnight.

2.5.3 In considering these issues the Licensing Authority will give careful consideration to the nature of the venue proposed. For example, the Council is keen to promote establishments at which the service and consumption of alcohol is not the primary activity. These may include restaurants, theatres, cinemas, comedy clubs, galleries, museums, and similar venues. The Licensing Authority's experience is that such venues are liable to give rise to fewer public concerns in relation to later closing hours.

2.5.4 The Licensing Authority will pay special regard to the proximity of residential properties to the proposed premises. Consideration will be given to the imposition of stricter noise control conditions, if representations are received in areas with a concentration of residential properties.

2.5.5 The Licensing Authority will expect premises to be cleared of patrons within a reasonable time of the terminal hour set for licensable activities.

2.5.6 Shops, stores and supermarkets will generally be free to provide sales of alcohol for consumption off the premises at any times when the retail outlet is open for shopping, unless there are good reasons for restricting those hours. An example would be where the Police make representations that the premises are a focus of disorder and disturbance.

2.6 Late Night Levies (LNL) and Early Morning Restriction Orders (EMRO's)

2.6.1 The Police Reform and Social Responsibility Act 2011 (the PRSRA) has introduced the power for the Licensing Authority to charge a late-night levy to all premises within the Lancaster City Council District. The late night levy is a discretionary power allowing Councils to collect an annual fee from all licensed premises in the district that are authorised to sell alcohol between the hours of midnight and 6am as a means of raising a contribution towards the costs of policing the night time economy. The decision to introduce, vary or cease the levy will be made by Full Council in conjunction with the Police and Crime Commissioner and Lancashire Constabulary. However, any decision in relation to the administration and design of the levy will be delegated to the Licensing Committee.

2.6.2 The Licensing Authority recognises that this levy would cover the whole of the district and not just those premises that are causing problems or those premises within any cumulative impact area. Therefore, serious consideration would be given to the introduction of the levy in light of this. Furthermore, the Licensing Authority would give serious consideration as to whether or not the levy is a viable proposal.

EARLY MORNING RESTRICTION ORDERS (EMRO)

2.6.3 An EMRO enables a licensing authority to prohibit the sale of alcohol for a specified time period between the hours of 12am and 6am in the whole or part of its area, if it is satisfied that this would be appropriate for the promotion of the licensing objectives.

2.6.4 EMROs are designed to address recurring problems such as high levels of alcohol related crime and disorder in specific areas at specific times; serious public nuisance; and other instances of alcohol-related anti-social behaviour which is not directly attributable to specific premises.

2.6.5 The licensing authority will review the need for an EMRO at least every five years in line with the review of this policy to see if circumstances have changed and any are needed. In addition to the review each five years the licensing authority may consider an EMRO at any time if circumstances changed and evidence supported this course of action. No area of the District is covered by an EMRO at present.

2.6.6 As an EMRO is a powerful tool and a very stringent approach in tackling issues, the Licensing Authority will first consider whether other measures may address the problems and achieve the same goal. These could include: -

- Taking a robust multi-agency approach to tackling problem premises;
- Prior to reviewing a licence/certificate, meeting with the DPS and licence/certificate holder to ensure a Premises Improvement Plan.
- Using other mechanisms to control the cumulative impact, e.g. planning controls;
- Using other mechanisms to control noise and anti-social behaviour;
- Police powers to closure premises;
- Providing powers to designate parts of the local authority area as places where alcohol may not be consumed publicly;
- Police enforcement of the general law concerning disorder and anti-social behaviour, including the issuing of fixed penalty notices;
- Provision of CCTV;
- Provision of night marshals and street pastors;
- Introduction of a late-night levy.

The above is not an exhaustive list of possible measures.

2.7 Late Night Refreshment

2.7.1 The Licensing Authority will expect applicants for licences in respect of late-night refreshment premises to detail in their operating schedules how they intend to promote the licensing objectives and in particular how they intend to address queue management, litter, noise and delivery vehicle disturbance.

2.7.2 Where appropriate, and, in line with the Public Nuisance and Public Safety Licensing Objectives, the Licensing Authority may recommend that applicants display their company name on containers and packaging; this will enable the Licensing Authority to identify any premises causing concern.

2.7.3 The Licensing Authority expects that any premises providing late night refreshment will have a responsible policy for regularly clearing litter from outside their premises and for 25 metres along the pavement in either direction as necessary, whilst the premises are open and at the end of the working day. Such Policy could also include the display of notices advising customers to use the

bins provided. In addition, where there is evidence that grease and food, etc. has emanated from the premises, the Licensing Authority recommends that the highway in the vicinity of the premises is swilled or scrubbed so as not to attract seagulls, pigeons and vermin. The Licensing Authority recommends that all such inspections and action taken be recorded in the Premises Log Book.

2.7.4 Where an applicant wishes to sell alcohol either on or off the premises in such an establishment or provide an alcohol delivery service, the Licensing Authority recommends that the Operating Schedule sets out specific measures to ensure the prevention of Crime and Disorder and Public Nuisance in the vicinity of the premises. Existing premises that seek to provide an alcohol delivery service are expected to notify the Licensing Authority that they are operating such a service setting out specific measures they intend to take to promote the licensing objectives.

2.7.5 The Authority has considered the relaxation of controls suggested through the Deregulation Act 2015 and has decided that it would not be appropriate to do so. There is no evidence base to suggest that such action would be beneficial to local residents.

3.0 Licensing Approach

3.1 Partnership Working

3.1.1 The Council recognises that Licensing functions under the 2003 Act are not the only means of promoting the principles behind the Licensing Objectives. Delivery includes working with Planning, Environmental Health, the Police, the Fire Authority, the Crime Reduction Partnerships, Town Councils, Pubwatch, local businesses and residents, Lancashire County Council, transport operators and those involved with child protection.

3.1.2 The Council recognises that co-operation across services within the Council and with our external partners remains the best means of promoting the Licensing Objectives.

3.1.3 The Licensing Authority seeks to encourage and support the night-time economy by providing a vibrant and safe town centre experience. It shall work closely with the Responsible Authorities to promote the Licensing Objectives, including the licensed trade, local people and businesses. The Licensing Authority will continue to work closely as part of these groups to promote the common objectives and shall recognise its duty under Section 17 of The Crime and Disorder Act 1998 when carrying out its functions under the 2003 Act. In addition, the Licensing Authority will seek to support strategies where they are allied to the Licensing Objectives such as the National Alcohol Harm Reduction Strategy and any other relevant strategies and policies.

3.1.4 The Licensing Authority recognises that the private sector, local residents and community groups in particular have a vital role to play in promoting the licensing objectives. The Licensing Authority shall work closely with other enforcement agencies in the management of the nighttime economy, particularly relating to the tackling of underage sales and proxy sales of alcohol and drunkenness or disorder on or in the immediate vicinity of the licensed premises.

3.2 Cumulative Impact Policy

3.2.1 A cumulative impact policy creates a rebuttable presumption that applications within a particular area of the District for new premises licences or club premises certificates or material variations thereto will normally be refused if relevant representations are received about the cumulative impact on the four licensing objectives.

3.2.2 The Licensing Authority will review the need for a special policy on cumulative impact at least every five years in line with the review of this policy to see if circumstances have changed and one is needed.

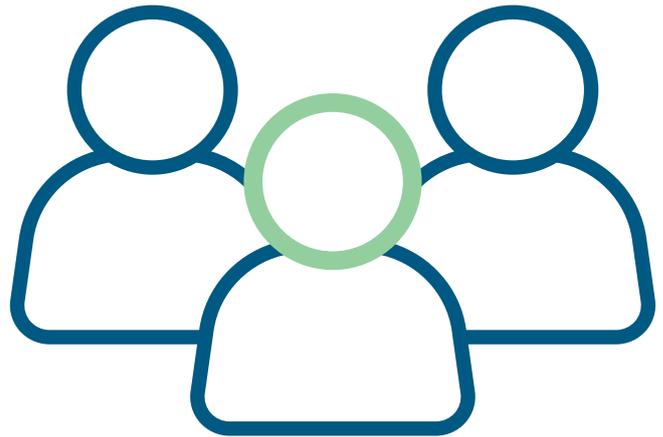

3.2.3 In addition to the review each five years the Licensing Authority may consider a special policy on cumulative impact at any time if circumstances changed and evidence supported this course of action.

3.2.4 No area of the District is currently covered by a special policy on cumulative impact.

3.3. Local Strategies and Policies

3.3.1 Where appropriate, the Committee will take into account local strategies and policies. These will include: -

- Community Alcohol Partnership (CAP)
- Community Safety Partnership (CSP)

3.4 Integrating Strategies

3.4.1 There are many stakeholders involved in the leisure industry and many are involved in the promotion of the licensing objectives. A number of stakeholders' plans and strategies deal with matters related to the licensing function. Where this is the case the Council will aim, as far as possible, to coordinate them.

3.4.2 Where appropriate, the Licensing Authority will also have regard to:

- local crime prevention strategies;
- needs of the local tourist economy;
- employment situation in the area and the need for new investment and employment where appropriate;
- needs of the local community
- the duty on Public Authorities to eliminate unlawful discrimination;
- the policy on cumulative impact.

3.5 Avoiding Duplication

3.5.1 The Licensing Authority recognises the need to avoid, so far as possible, duplication with other regulatory regimes such as health and safety at work, fire safety, building control and planning. Conditions will not be imposed if the matters concerned are already provided for sufficiently in other legislation. However, other legislation may not always cover the unique circumstances that arise in connection with licensable activities and in such cases tailored conditions may be necessary but only if relevant representations are received.

3.5.2 The Licensing Authority recognises that in accordance with Section 43 of the Regulatory Reform (Fire Safety) Order 2005, any conditions imposed by the Licensing Authority that relate to any requirements on prohibitions that are or could be imposed by that Order, shall have no effect. The Licensing Authority shall therefore not seek to impose fire safety conditions where the Order applies.

3.5.3 In much the same way, the Indecent Displays Act 1981 prohibits the public display of indecent matter and the Licensing Authority shall therefore not seek to impose conditions concerning such displays inside or outside the premises. The existing laws governing indecency and obscenity are adequate to control adult entertainment of this nature. However, the Licensing Authority shall, if it considers necessary in certain premises, consider attaching conditions following a hearing addressing the exclusion of minors.

3.5.4 Non-compliance with other statutory requirements may be considered in reaching a decision about whether or not to grant or vary a licence but only if relevant representations are received.

3.5.5 The Licensing Authority recognises that the existence of planning permission, building regulation approval or pavement licences must be properly separated from licensing applications to avoid duplication and inefficiency. Similarly, the existence of a Premises Licence shall not prejudice the consideration of any planning, building regulation approval or pavement licence applications. However, the Licensing Authority shall expect applicants to have obtained the appropriate consents or licences prior to operation.

3.5.6 Where premises have not obtained such consents or licences, they will be liable to enforcement action under the appropriate legislation. There may be circumstances when as a condition of planning permission a terminal hour is set for the use of commercial premises. Where these hours are different to the licensing hours, the applicant must observe the earlier closing time to ensure that they are not in breach. Premises operating in breach of their Planning Permission or their premises licence/certificate may be liable to enforcement action by the Planning Authority or the Licensing Authority as appropriate.

3.6 Representations

3.6.1 Under the 2003 Act both Responsible Authorities and 'other persons' may make representations on licence/certificate applications and review existing premises licences/certificates.

3.6.2 Other persons are defined as any individual, body or business that may be affected by the operation of a licensed premise regardless of their geographical location. Although the other person may be in any geographical location, any representation they make must be relevant to one or more of the licensing objectives. In addition, the other person is encouraged to provide evidence supporting their representation or review. This may be for example by way of recording dates where noise nuisance or anti-social behaviour occurs. Any representation however must be specific to the premises in question and not to the area in general. The representation should also detail how the granting of the application is likely to affect the person making it.

3.6.3 The Licensing Authority will however consider the geographical location of the other person who has made the representation in their consideration of their evidence.

3.6.4 In addition all representations must be relevant relating to the likely effect of the grant of the licence/certificate on the promotion of at least one of the licensing objectives. The Licensing Authority will determine whether a representation from an individual, body or business is relevant, frivolous, repetitive or vexatious. If appropriate, the benefit of the doubt will be given to the person or body making that representation.

3.7 Conditions

3.7.1 Where conditions are imposed at a licensing hearing, they shall be appropriate and proportionate and shall be tailored to the size, style, characteristics and activities that take place at the premises concerned. However, the Licensing Authority accepts that Responsible Authorities may suggest conditions following negotiation with the applicant when completing their Operating Schedules.

3.7.2 In addition conditions imposed by a Licensing Authority shall be precise and enforceable, clear in what they intend to achieve, should not duplicate other statutory requirements or other duties or responsibilities placed on the employer by other legislation, shall not replicate offences set out in the 2003 Act or other legislation, shall be justifiable and capable of being met and shall not seek to manage the behaviour of customers once they are beyond the direct management of the licence/certificate holder and their staff.

3.7.3 The Licensing Authority recommends that conditions volunteered in the Operating Schedule should be:

- Targeted on the deterrence and prevention of crime and disorder
- Appropriate for the promotion of the licensing objectives;
- Proportionate and enforceable;
- Consistent and not conflicting;
- Relevant, clear and concise;
- Not duplicating other legislation; and
- Expressed in plain language capable of being understood by those expected to comply with them.

3.7.4 The Licensing Authority when preparing the licences/certificates will replicate the wording from an applicant's Operating Schedule, it is therefore recommended that applicants seek suggested condition wording from this policy by way of model conditions (amended as appropriate) or from the relevant responsible authorities.

3.8 Enforcement

3.8.1 The Licensing Authority has adopted a Licensing Enforcement Policy, available on the Council's web site.

3.8.2 Enforcement action will be:

- Targeted toward those premises presenting the highest risk;
- Proportional to the nature and seriousness of the risk those premises present;
- Consistent, so that the Licensing Authority takes similar approaches in similar situations;
- Transparent, so those who are subject to enforcement action know what to expect; and
- Accountable, so that the Licensing Authority and its officers take responsibility for their actions.

3.8.3 The Council intends to use appropriate enforcement to promote the licensing objectives. Once licensed, it is essential that premises are monitored to ensure that they are run in accordance with their operating schedules, in compliance with the specific requirements of the 2003 Act and any licence conditions. It will also monitor the District for unlicensed activities that may or may not require authorisation.

3.8.4 The Licensing Authority has established protocols with Lancashire Police Authority, Lancashire County Council Trading Standards and Lancashire Fire and Rescue Service on enforcement issues to ensure an efficient deployment of Police and Council Officers. Where official warnings are given prior to any decision to prosecute for an offence, the Licensing Authority shall ensure that these enforcement authorities are informed of these warnings and the result of any action taken.

3.8.5 In order to ensure compliance with the law and licensing conditions, the Licensing Authority will also carry out whenever possible unscheduled 'non routine' evening inspections with Lancashire Constabulary. After each visit, the Designated Premises Supervisor and Premises Licence Holder shall be notified of any concerns and be given an opportunity to rectify any issues.

3.8.6 The Licensing Authority recognises that most Licence Holders seek to comply with the law and any enforcement action will normally follow a graduated approach and in the first instance will include education and support. Where licence holders continue to flout the law or act irresponsibly action will be taken.

3.8.7 The Licensing Authority may seek to meet with the licence or certificate holder and/or DPS working closely with them and relevant Responsible Authorities in implementing a Premise Improvement Plan where appropriate.

3.8.8 Where the premise does not comply with an agreed Improvement Plan and continues to breach the licensing laws and/or licence conditions, the Responsible Authority or Licensing Authority can consider further sanctions, either by way of a review, formal caution or prosecution. In any event, the Licensing Authority will have regard to the Regulators' Compliance Code and the Council's Licensing Enforcement Policy.

3.8.9 Where one-off events are taking place, the Licensing Authority may also carry out inspections to ensure the Licensing Objectives are being promoted. Inspections shall be carried out in accordance with the principles of risk assessment and targeting problem premises.

3.8.10 In addition, the Licensing Authority will conduct checks to ensure that official notices for new applications, varied applications, reviews and minor variations are accurate and clearly displayed. Notices for reviews shall be displayed at or near the site of the premises, and where there are concerns these shall be regularly checked and recorded.

3.8.11 Any decision to instigate legal proceedings will take account of principles set out in the Licensing Enforcement Policy.

3.9 Complaints Against Licensed Premises

3.9.1 Complainants are advised, whenever possible, in the first instance to raise their complaint directly with the licensee in order to resolve the matter. The Licensing Authority, however, recognises that it is not always possible or practical for complaints to be raised directly. In such circumstances, complaints in the first instance should be addressed to the most appropriate body. For example, crime and disorder related issues should be raised with the Police.

3.9.2 All noise-related complaints are investigated by the Council's Environmental Protection Service and complaints regarding unlicensed activities and operating outside the permitted hours are investigated by the Licensing Team. There will be collaboration between the two teams to assist in reaching effective and appropriate outcomes for noise related matters.

3.9.3 On receipt of a complaint, the Authority shall investigate the circumstances, discussing the complaint with the Designated Premises Supervisor of the licensed premises, the Premises Licence Holder, any Relevant Responsible Authority and the complainant. Where it is a valid complaint, the Licensing Authority shall endeavour to seek a resolution through informal means prior to taking any legal action.

3.9.4 The Licensing Manager is responsible for considering complaints in the context of this Policy and will determine whether or not it is a relevant complaint. They will authorise suitably qualified officers to discharge enforcement duties as appropriate to their seniority, professional qualifications and/or experience in order to resolve any complaint.

3.9.5 Where there is a serious complaint, the Licensing Manager shall ensure that it is investigated, and enforcement action taken where necessary. The Licensing Authority shall act in accordance with its own Licensing Enforcement Policy available on the Council's web site.

3.9.6 The Licensing Authority recognises that this Policy and the promotion of the Licensing Objectives relies on partnership between all the parties. Therefore, where there are any concerns identified at the premises, or there is need for improvement, the Licensing Authority shall work closely with the parties at an early stage to address these concerns.

3.10 Live Music, Dancing and Theatre

3.10.1 The Council recognises the need to encourage and promote a broad range of entertainment, particularly live music, dancing and theatre for the wider cultural benefit of the community and in particular for children and young people.

3.10.2 When considering applications for such events and the imposition of any conditions if representations are received on licences or certificates, the Licensing Authority will carefully balance the need to promote the licensing objectives against these wider cultural benefits.

3.10.3 When considering whether an activity constitutes the provision of regulated entertainment each case will be treated on its own merit.

4.0 Administrative Issues

4.0.1 As the Regulations require advertising of all new and variation applications, the Licensing Authority recommends that the applicant contact them prior to displaying the statutory notice or advertising the application in a local paper circulating in the vicinity of the premises. This will ensure that an accurate consultation date will be given which will avoid any errors and the potential of a breach of the regulations that would result in the application being rejected or delayed.

4.1 Premises Licence

4.1.1 The Premises Licence application outlines the operating conditions and the Operating Schedule that will form the basis of conditions that will be attached to the Licence. It should include information that is necessary to enable any Responsible Authority or other person to assess whether the steps to be taken to promote the licensing objectives are satisfactory. The Licensing Authority shall expect the applicant to have carefully considered the promotion of all four Licensing Objectives in their Operating Schedule.

4.1.2 It is recommended that applicants liaise with neighbours and/or any relevant community group such as a local residents association, or other such groups, as may be appropriate prior to submitting an application.

4.1.3 The Licensing Authority especially recommends that applicants liaise with the Relevant Authorities prior to submitting their applications, e.g. Police or Fire Authority, when compiling their Operating Schedules and the local Pubwatch if one operates in that area.

These lists are not exhaustive, and advice can be obtained from the relevant responsible authorities. However, applicants are reminded again to contact the relevant Responsible Authorities to seek their expert advice before an application is submitted to the Licensing Authority.

4.2 Garages

4.2.1 With regard to the licensing of garages, and/or filling stations, Section 176 of the 2003 Act prohibits the sale or supply of alcohol from premises that are used primarily as a garage. However, the Licensing Authority will use the court's approach based on intensity of use, to establish primary use. Where such applications are submitted, the Licensing Authority will expect sufficient relevant evidence to accompany the application form to prove the issue of primary use.

4.3 Mobile Premises

4.3.1 Where licensable activities take place in mobile vehicles, a Premises Licence will be required for the land upon which the vehicle operates. The Operating Schedule must indicate the specific pitch from where trading is to take place.

4.3.2 As this type of premises is likely to cause people to congregate, the Licensing Authority shall expect applicants to demonstrate specific measures to prevent Crime and Disorder and Public Nuisance. In addition, the Licensing Authority shall expect the applicant to consider specific measures to ensure that litter from such premises is regularly disposed of and that the licensee has adopted a Litter Policy as set out above.

4.4 Temporary Event Notices

4.4.1 The 2003 Act states that the premises user must give the Licensing Authority a minimum of 10 working days notice for a standard temporary event notice and between 5 and 9 working days for a late temporary event notice. The 'working day' requirement means that the day of receipt of the notice, Saturdays or Sundays, Bank Holidays, or the day of the event are not included as a working day.

4.4.2 Premises users are advised to submit their TENS well before the date of the event (ideally 28 days beforehand), using our online service. When serving TENS in a hard copy format, the premises user must serve the notice on the Licensing Authority, Lancashire Police and the "local authority exercising environmental health functions" ("EHA") at the same time to avoid a situation where one of the bodies does not receive their copy within the statutory timescale, which could mean that the event cannot proceed even if the other bodies have received their copy in time.

4.4.3 It is a legal requirement for all organisers to carry out Health and Safety and Fire Safety Risk Assessments with regards to their event. Guidance on how to conduct such risk assessments may be obtained from the relevant enforcing authority. The Licensing Authority may notify the Fire Authority of any TENS submitted so that they can offer advice to event organisers if necessary. Members of any relevant Event Safety Advisory Group may also be notified of any TENS for similar reasons. Organisers are recommended to give thought to the provision of first aid at such events. It should be noted that if the Fire Authority is of the opinion that the use of premises/venue involves, or will involve, a risk to relevant persons so serious, including anything affecting their escape from the premises in the event of fire, the Fire Authority may prohibit or restrict premises use without notice.

4.4.4 Those intending to serve a TEN are strongly advised to consider whether their proposals should be considered by a Event Safety Advisory Group (ESAG) and ensure they follow the advice given, this is particularly relevant for small scale festivals and/ events that take place over more than 1 day.

4.4.5 Finally, the Authority strongly recommends that premises users address the following issues: -

- Applicants are strongly advised to consider and mitigate the potential impact in terms of public nuisance, i.e. noise, vehicle parking of attendees, traffic.
- Seek relevant professional advice on public liability insurance.
- Seek relevant professional advice on noise, public safety, sanitation, food hygiene, health & safety and fire safety matters.
- Liaise with local residents and businesses that may be affected by the event, to raise awareness of the nature and duration of the event.
- Seek relevant professional advice on medical provision.
- Ensure that the event site and environs are maintained free of litter to a reasonable extent during an event and completely cleared following an event. This includes the removal of all advertising material used to promote events, within a reasonable period.
- Consider the conditions attached to a Premises Licence or Club Premises Certificate and manage the event in accordance with such conditions, where appropriate. (This is to mitigate the potential for adverse impacts on the promotion of the Licensing Objectives and/or complaints).

4.4.6 Payments for temporary event notice(s) are made upon application and are non-refundable.

4.5 Personal Licences & Exemption of the Requirement for a Designated Premises Supervisor

4.5.1 The Licensing Authority places particular emphasis on the role of Designated Premises Supervisors (DPS) and Premise Licence Holder and where the Police object on the grounds of prevention of crime and disorder there will be a presumption against issuing a personal licence to any applicant with an unspent conviction for a relevant offence. If the applicant can demonstrate exceptional and compelling reasons for disregarding the conviction, this will be taken into consideration.

4.5.2 The Licensing Authority advises that it is good practice for the Personal Licence Holder to give specific written and dated authorisation to individuals to demonstrate due diligence. Whilst the DPS and Personal Licence Holder may authorise sales in their absence, they remain responsible for those sales. Similarly, the Premises Licence Holder also remains responsible for ensuring that the licensing law and conditions are complied with at that premises. Any authorisations should be meaningful and properly managed.

4.5.3 Where a Premises Licence is in force authorising the supply of alcohol, a DPS will need to be nominated. The main purpose of the DPS is to ensure that there is always one specified individual who can be readily identified by Responsible Authorities as the individual who has day-to-day responsibility for running the business and who can therefore ensure that any problems are dealt with swiftly. As such the DPS will occupy a pivotal position. Experience has proved that in some cases the Premises Licence Holder has employed a DPS who is remote from the premises and therefore not involved in the day-to-day running of that premise; the Licensing Authority will therefore pay particular attention to those premises.

4.5.4 Whilst the Licensing Authority recognises that a DPS may supervise more than one premise, the DPS must be able to ensure that the four Licensing Objectives are promoted and that the licensing law and licensing conditions are complied with. Where the DPS is not available at the premises for whatever reason, the Licensing Authority recommends a responsible individual is nominated who can deal with matters in the absence of the DPS. In addition, the Licensing Authority recommends that a notice is displayed prominently indicating the name and position of that nominated person. Whenever alcohol is to be sold it is recommended that written and dated consent be given to that nominated person.

4.5.5 Experience has indicated that a number of Personal Licence Holders have failed to produce their Personal Licence to the court in accordance with Section 128 of the 2003 Act. In view of this the Licensing Authority will take appropriate action against those who continue to fail to notify the courts and/or provide notification of their change of address in accordance with their statutory duty.

EXEMPTION OF THE REQUIREMENT FOR A DPS

4.5.6 Where a community premises applies for an exemption from the requirement to have a DPS, the Licensing Authority must be satisfied that arrangements for the management of the premises by their Committee or Board of individuals are sufficient to ensure the adequate supervision of the supply of alcohol on the premises. The applicant will be required to set out how the premise is managed, its committee structure and how the supervision of alcohol sales is conducted. Copies of the Constitution and other management documents must be submitted. The management committee is strongly encouraged to notify the Licensing Authority if there are any key changes in the committee's composition as this committee will collectively be responsible for ensuring compliance with licence conditions and licensing law. Where management arrangements are unclear, the Licensing Authority may seek further details to confirm that the management board or committee is properly constituted and accountable. While overall responsibility lies with the management committee where premises are hired out, the hirer will be clearly identified as having responsibilities falling within their control. Community premises are encouraged to check with the Licensing Authority before making any application.

4.6 Large Scale Events

4.6.1 Lancaster and the surrounding area is a popular location for a wide range of cultural and entertainment events, these range from village days to small scale one-day events and weekend festivals.

4.6.2 Such events can involve considerable and complex planning and management. This involves a high level of competency from those involved with organising and managing such events.

4.6.3 The Authority is aware of the potential for varied and extreme impacts on the promotion of the Licensing Objectives, where such events take place. Organisers of such events are advised to contact the Licensing Service in the planning stages to discuss the event and application.

4.6.4 The Authority has a general statutory duty under section 4 of the 2003 Act to promote the Licensing Objectives. The legislation does not refer to the special circumstances and sometimes very different issues that can be relevant to these types of application. However, the Authority has taken all reasonable endeavours to balance the demands and aspirations of the event industry against the protection of the local communities and the attendees that may be adversely affected by or at such events.

The Authority believes that the risk associated with large scale events can only be adequately mitigated by the submission of an up to date, relevant, detailed and complete operating schedule that is specific to the proposed event.

4.6.5 The enforcement policies of the Council may be significantly undermined by the short duration and potentially occasional nature of these events. This is because the Council's graduated response to problems arising may not be as effective in responding to these issues on an occasional and irregular basis, particularly with different event organisers.

4.6.6 Sites for large occasional events are not usually entirely purpose built for the proposed licensable activities to take place. Therefore, there is considerable work involved in planning and organising these events. The Authority believes that this is only achievable by ongoing involvement of the Authority and Responsible Authorities in dealing with such events, as far as is reasonable and appropriate.

4.6.7 It is clear that Responsible Authorities (and sometimes Other Persons) may often engage with applicants prior to submission of an application. This notion is referred to in the Statutory Guidance, as it promotes the Licensing Objectives by fostering a partnership approach; and is supported by the Authority (where appropriate), but with an additional caveat.

4.6.8 Applicants are expected to rely most heavily on their own competence and knowledge or that of persons/ bodies that they employ in making their plans. They cannot and should not rely on the input of the Responsible Authorities to ensure that detailed and comprehensive plans for their event are produced.

The demands on the Responsible Authorities can be disproportionate to their resources, This might place undue pressure on such bodies, undermining the level of scrutiny of such applications. It must be considered that the legal responsibilities connected to holding such events primarily rest with the event organiser and landowner.

4.7 Sustainable Event Management

4.7.1 Events can impact heavily on our resources, society, and the environment, as they can generate significant waste, put a strain on local resources like water or energy, and generate large volumes of traffic. It is, therefore, important that event organisers are taking the right steps to integrate sustainability into their event management and ensure that they are organised responsibly. As such, the Council encourages event organisers to take the necessary steps to develop proposals that are conscious of the Council's Climate Emergency Commitments, by way of demonstrating what steps will be taken to ensure the environmental impacts of the event are kept to a minimum.

4.7.2 It is highly recommended that event organisers consider the following points:

- Banning single use plastic glasses/cups in the bars and look to use reusable receptacles.
- Encourage non fossil fuel powered events, including any caterers.
- Alcohol sourced from local brewers/suppliers to keep bars with a lower carbon footprint.
- High recycling rates, a target of 70% plus, which could be evidenced from weighbridge tickets provided by recycling transfer stations.

4.8 Event Safety Advisory Groups (ESAGS)

4.8.1 The Authority acknowledges the benefits of working closely with Responsible Authorities and other statutory bodies in supporting event organisers in operating safe and well managed events. Event Safety Advisory Groups or 'multi agency meetings' are one means of promoting such partnership working.

4.8.2 The Authority will facilitate and host such meetings from time to time to assist applicants and those organising events that do not require an authorisation under the 2003 Act, where appropriate.

4.8.3 All applicants should consider whether to attend such a meeting before they apply, as failure to do so could undermine the promotion of Licensing Objectives.

4.9 Reviews of Licence or Club Premises Certificate

4.9.1 The Licensing Act 2003 details that where a premises licence or club premises certificate has effect, a Responsible Authority or other person may apply to the relevant Licensing Authority for a review of the licence. Nothing in this Policy shall restrict their right to apply for a review of a licence or make relevant representations in accordance with the 2003 Act, however the Licensing Authority may, at any time, reject any ground for review specified in an application under this section if it is satisfied that the ground is not relevant to one or more of the licensing objectives, or in the case of an application made by a person other than a Responsible Authority, that the ground is frivolous or vexatious, or the ground is a repetition.

4.9.2 Where a person or body is considering making an application for a review, they are advised to contact the Licensing Service. This is so that Officers may provide some initial feedback on the matter and then, if appropriate, attempt to facilitate a meeting or a series of meetings between relevant persons and bodies to consider alternative solutions and/or discuss the review process.

4.9.3 Applicants should make all reasonable efforts to set out their concerns regarding an authorisation concisely and clearly and ensure that these concerns are relevant to a failure to promote the Licensing Objectives.

4.9.4 Examples of triggers for a review may be:

- continual complaints of noise from or in the vicinity of the premises;
- continual complaints of noise or intimidation from customers outside the premises;
- an accumulation of breaches of licensing conditions;
- poor management where the licensing objectives are undermined;
- underage sales of alcohol (persistent or otherwise); crime-related activity; anti-social behaviour;
- sales of alcohol outside of the permitted hours, etc.

4.9.5 The Licensing Authority shall expect applicants for a review to gather sufficient and relevant evidence relating to the specific premises that is subject to the review. This may include a diary of events and any potential witnesses. Regarding reviews on noise complaints, applicants are encouraged to liaise with the Council's Environmental Protection Service who may be able to assist with and support the review process.

4.9.6 Prior to a review, however, Lancashire Police, other Responsible Authorities or the Licensing Authority may seek to meet with the licence/certificate holder to address issues through a Premises Improvement Plan.

4.10 Administration, Exercise and Delegation of Functions

4.10.1 The Council has a Licensing Committee, consisting of 10 elected members, to carry out its licensing functions and to make licensing decisions, except those functions relating to the making of a Statement of Licensing Policy.

4.10.2 In the interests of speed, efficiency and cost-effectiveness the Committee will delegate certain decisions and functions to Sub-Committees and officers.

4.10.3 For example, where there are no relevant representations on an application for the grant of a premises licence or club premises certificate or Police objection to an application for a personal licence, these matters should be dealt with by officers.

4.10.4 The table attached at Appendix X sets out the agreed delegation of decisions and functions to the Licensing Committee, Sub-Committees and officers.

4.10.5 This scheme of delegation does not prevent the referral of matters to a higher authority if considered appropriate in the circumstances of any particular case.

4.10.6 Members of the Licensing Committee will comply with the Lancaster City Council Code of Conduct for Councillors and will declare any personal or prejudicial interest in any matter coming before them in accordance with the Code. Members with a prejudicial interest will have the opportunity to speak as any member of the public (i.e. only where they make relevant representations) is permitted but will withdraw from the room in which the meeting is being held immediately after speaking and will not seek to improperly influence the decision.

4.10.7 Members of the Licensing Committee who make representations on behalf of any Other Person or in their own right as a member of the Licensing Authority will not sit on any hearing or Sub-Committee making any decision in relation to the matter in question, nor take any other part in the decision-making process.

4.10.8 Members will not sit on any Sub-Committee dealing with a matter in relation to premises in his or her ward, or any person living in that Ward.

Model Conditions

Introduction

How to use this document

Model conditions are all set out in the pages of this document as a template for you or your representative to copy for your own application. We have given instructions for you to add details for certain elements, according to your specific licence application. Where bespoke detail is needed, we have used a bracket and the word "Insert:" for example [Insert: the total number of staff.]

What we mean by Conditions

The conditions on a premises licence or club premises certificate set the parameters within which premises can lawfully operate. Conditions are attached to licences and certificates in three ways:

1. Mandatory conditions, as set out in the Licensing Act 2003, which must be included on all licences and certificates.
2. Applications for new premises licences or club premises certificates, as well as variations, must include a completed operating schedule that is translated into conditions on any licence or certificate granted.
3. Once the application is made, where relevant representations have been made by the Responsible Authorities (such as the police, Environmental Health and Trading Standards, or other parties such as local residents), the licensing authority may impose such conditions it considers appropriate for the promotion of the licensing objectives.

These model conditions were approved by Full Council on XXXX and are intended to provide a consistent approach for all parties by specifying appropriate conditions that could be included on any licence or certificate granted; this could be by the applicant in designing the operating schedule, by other parties in seeking to address concerns associated with the application, or ultimately, by the licensing authority when imposing conditions considered appropriate for the promotion of the licensing objectives.

The model conditions should not be regarded as standard conditions that apply in all cases. They should be tailored as appropriate to the size, type, location and characteristics of – and activities taking place at – the premises concerned. Where a condition includes any [Insert: bracketed content] these variable details should be completed accordingly.

Conditions are not limited to only addressing the licensing objective they are titled under and it is recognised that some conditions may be relevant to more than one objective. The conditions are not intended to be, nor can they be, an exhaustive list, and they do not restrict the ability of any party to propose, or the Committee to impose, any reasonable or proportionate condition they consider appropriate for the promotion of the licensing objectives.

The Prevention of Crime and Disorder

When copying the content on this page into your own document you'll need to insert certain details that are relevant for your licence. Where these are required the need for specific information is marked in brackets and leads with the word 'Insert' eg: [Insert: specific days and times]

CCTV

- The premises shall operate a CCTV system that complies with the minimum requirements of Lancashire Police.
- The premises licence holder must ensure that:
 - CCTV cameras are located within the premises to cover all public areas including all entrances and exits [Insert: The location of cameras could also be specified on the plan attached to the premises licence]
 - The system records clear images permitting the identification of individuals
 - The CCTV system is able to capture a minimum of 24 frames per second and all recorded footage must be securely retained for a minimum of 28 days
 - The CCTV system operates at all times while the premises are open for licensable activities [Insert: or specify timings]
 - All equipment must have a constant and accurate time and date generation
 - The CCTV system is fitted with security functions to prevent recordings being tampered with, i.e. password protected
 - There must be at least one member of trained staff at the premises during operating hours able to provide viewable copies on request to police or authorised local authority officers as soon as is reasonably practicable in accordance with the Data Protection Act 1998 (or any replacement legislation).
