Forthcoming Individual Cabinet Member Key Decision

To be taken in July 2024

Decision to be taken by Individual Cabinet Member

In accordance with the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, Part 3, notice is hereby given of a forthcoming key decision where the publication of the intention to make a key decision under regulation 9 is impracticable and the decision will be made under regulation 10. The Chair of the Overview and Scrutiny Committee has been notified. The urgency of this decision is a result of the lengthy procurement process which included a challenge period. It was necessary to wait until the end of the challenge period before publishing the key decision notice. Due to the time lost during the challenge period urgency is now required to appoint the successful provider and progress the project without further delay.
