

YOU ARE INVITED TO...

CARRY ON COLLABORATING

The North West Improvement and Efficiency Partnership Transformation Programme invites Members and Chief Executives to the:

CARRY ON COLLABORATING ROADSHOW

There's one planned for your sub-region - to reveal the ins and outs of collaboration among your councils.

TURN OVER TO FIND OUT WHAT'S TOP BILLING

WE PLAN TO PUT YOU IN THE PICTURE ABOUT COLLABORATING IN THE NORTH WEST

CARRY ON AT YOUR CONVENIENCE

We'll show you how collaborations are already working in your area, what benefits are being realised and what value is being added to council services.

CARRY ON LOVING!

We'll take the wraps off a new tool - CUPID - that will boost collaborating across councils and across the region.

CARRY ON SPYING
