<b>Details of Decision:</b> (1) That Harrison Willis & Moore be appointed to undertake the surveying and processing of Energy Performance Certificates for all Council Housing stock as outlined in the tender brief.			
<b>Reasons for the decision (continue on separate sheet or append relevant papers as necessary):</b>  The Council Housing Revenue Account for 2008/09 includes the sum of £55,000 to carry out an Energy Survey of the Council Housing stock in order to provide Energy Performance Certificates (EPCs) for the dwellings in accordance with the European Energy Performance of Buildings Directive. There is now a requirement to provide Energy Performance Certificates for all new tenancies and sales. Therefore the most economical method of providing these is to undertake a survey of approximately 20% of the stock and clone the information to the remainder of the stock so that all Council Housing Dwellings will have an EPC. It is also in accordance with the Council's Corporate Priority to support sustainable communities.  It was recommended that Harrison Willis and Moore should, therefore, be appointed as the Council's contractor for undertaking the energy survey and processing the EPCs for all the Council Housing stock as outlined in the tender brief.
