Notes for the Guidance of Applicants
For Hackney Carriage and Private Hire Drivers Licences

Applicants for Hackney Carriage or Private Hire Drivers licences are required to have held for a minimum of three years a full driving licence issued in the UK, the European Community (EC) or one of the other countries in the European Economic Area (EEA).

In addition to the above the licensing authority will require all taxi and PHV drivers who hold an EC/EEA driving licence to have a GB counterpart document.

Any individual making an application for a taxi or PHV driver's licence will be required to obtain a GB counterpart prior to the issue of a licence.

When licence holders apply for a counterpart they will be registered with the DVLA and allocated a GB driver number. Any driving convictions and endorsements subsequently incurred by the licence holder in the UK will be recorded by the DVLA.

Having a GB counterpart benefits drivers by allowing them to take part in the fixed penalty system for road traffic offences rather than having to attend court and incur greater penalties as well as costs. In addition if a driver loses or has his or her national driving licence stolen, they would probably not be able to get a duplicate from the country it was issued in. However, once registered with the DVLA they will be able to apply for a GB licence.

Currently licensed drivers who hold a EC/EEA licence will be required to obtain a GB counterpart when they apply to be re-licensed.

All non-UK licence holders will still be required to provide a copy of their EC/EEA driving licence with their application.

GB counterparts can be obtained free of charge from the DVLA on submission of form D9 which can be downloaded at http://www.dvla.gov.uk/media/pdf/forms/d9.pdf. The DVLA advises that it takes approximately 3 weeks from receipt of application to issue a GB counterpart.

Application forms for hackney carriage and private hire drivers licences can be obtained from the Town Hall, Dalton Square, Lancaster or can be downloaded at
www.lancaster.gov.uk, or collected from customer services at the Town Hall in either Morcambe or Lancaster

The completed application forms should be returned to the Town Hall address, an appointment will be made for you at which time you will be required to complete an enhanced criminal record check, and produce the following documents:-

(a) Current Full European Driving Licence,
(b) A full medical certificate in the prescribed form, issued by your own doctor (this will be required again on the 3rd annual renewal of your licence and every subsequent 3rd annual renewal, should the application be successful). Once a driver reaches the age of 65 he/she will be required to provide a full medical certificate annually.
(c) Appropriate fee.
(d) Proofs of identity for CRB check (further details will be given when appointment is made)

No licence will be granted until all required documents have been received and satisfactory CRB results have come back to us.

Applicants will then be required to complete a BTEC course ‘Transporting Passengers by Taxi and Private Hire’ or hold an equivalent qualification.

On completion of the application process, the applicant will be informed of the result by letter together with any rights of appeal, should the application fail.

DETAILS OF CONVICTIONS OR CAUTIONS FOR ANY OFFENCE WHETHER DRIVING OFFENCES (INCLUDING FIXED PENALTY NOTICES) OR ANY OTHER OFFENCE MUST BE DECLARED. Applicants with convictions may have their applications referred to the Licensing Regulatory Committee for a final decision.

Criminal Records Bureau
The applicant will be asked to detail, on the application form, any convictions, cautions or fixed penalties which have been recorded against them. By the provision of the Rehabilitation of Offenders Act 1974 (Exceptions)(Amendment)Order 2002, applications by prospective Hackney Carriage and Private Hire Drivers must detail all convictions, as the ‘spent’ convictions provisions do not apply to these occupations. The subsequent checks to the CRB will serve to confirm the information provided. You must not rely on that check to provide the correct information, as any application which does not supply the complete information at the outset may be considered to be incomplete and a view may be taken that a deliberate attempt has been made to conceal convictions which have not been declared. It is a criminal offence to make a false declaration to obtain a Licence.

Conversions will not necessarily debar an applicant although, if a conviction is revealed which takes the matter outside the Council’s Policy on the Relevance of Convictions, the applicant will be able to make representations to the Licensing Regulatory Committee, who will determine whether a licence is issued. The convictions will be taken into account and details provided to the Licensing
Regulatory Committee to enable them to consider the matter. All information received will remain confidential and be securely stored only as long as necessary.

**Statement of Policy Regarding Relevant Convictions**

When submitting an application for a licence to drive a Hackney Carriage or drive or operate a Private Hire Vehicle, individuals are requested to declare any convictions or cautions they may have. The information given will be treated in confidence and will only be taken into account in relation to the application in question. Lancaster City Council, as a Licensing Authority, is empowered in law to check with the Criminal Records Bureau for the existence and content of any criminal record held in the name of an applicant. Information received will be kept in strict confidence while the application process takes its course and will be retained for no longer than is necessary. The disclosure of a criminal record or other information will not debar any applicant from obtaining a licence unless the Council considers that the conviction renders him or her unsuitable. In making this decision, the Council will consider the nature of the offence, how long ago and at what age it was committed and any other factors which may be relevant.

Any applicant refused a Licence on the grounds that he/she is not a fit and proper person to hold such a licence has the right of appeal to a Magistrates’ Court.

The effect of any particular conviction on a proposed application may be discussed in confidence with the Licensing Team.

Each case will be determined on its own merits, however the overriding consideration will be the protection of the public.

**IT IS AN OFFENCE FOR A PERSON TO DRIVE A LICENSED HACKNEY CARRIAGE OR PRIVATE HIRE VEHICLE UNLESS AND UNTIL A HACKNEY CARRIAGE/PRIVATE HIRE DRIVER’S LICENCE IS GRANTED. IT IS AN OFFENCE FOR THE PROPRIETOR OF A LICENSED HACKNEY CARRIAGE OR PRIVATE HIRE VEHICLE TO EMPLOY ANY PERSON TO DRIVE SUCH A VEHICLE WHO IS NOT THE HOLDER OF A CURRENT HACKNEY CARRIAGE/PRIVATE HIRE DRIVER’S LICENCE.**

Please note that if the application is successful all convictions not considered spent by virtue of the Rehabilitation of Offenders Act 1974 are required by section 42 of the Town Police Clauses Act 1847 to be recorded on a public register. This would also apply to any additional drivers of the vehicle.

Vehicles for which Hackney Carriage/Private Hire licences are applied for must be under 5 years of age from date of first registration and on attaining 10 years of age from date of first registration, will cease to be licensed by this authority and will no longer be able to function as licensed Hackney Carriages/Private Hire vehicles within the Lancaster City.

Exceptions to the 10 years age limit may be made in the case of certain vehicles, i.e. limousines, such as Rolls Royce, Bentley etc. Applications for such exceptions must be made in writing to the Licensing Manager.

**Vehicle Testing**
An MOT pass certificate must be produced for all vehicles that are over one year old.

Subsequent MOT pass certificates must be produced annually. In addition to the MOT testing, the vehicle must also be mechanically tested and inspected by the Council’s nominated garage. This process is referred to as “the Engineer’s Report” or “Certificate of Compliance”.

When required to produce an MOT pass certificate, an Engineer’s Report pass certificate must also be produced.

The licence of any vehicle which fails its inspection requirements will be automatically suspended until such time as the vehicle has been re-examined and the necessary pass certificates obtained.

When a car already licensed by this authority reaches 4 years of age it will be required to pass an authority vehicle examination test twice yearly until it reaches the 10 year age limit.
