29th Sept 2011

Dear Sir/Madam,

I recently purchased a VW Touran Plate Number PV494 Registration Number KP08 OJZ. Lancaster City Council have currently allowed the vehicle to be licenced as a 4 seater. However as the vehicle is purposely designed to carry six passengers I would like to request that it goes before the licensing committee to be considered for re-licensing as a 6 seater.

yours sincerely

Mark Howarth
