Internal Audit Strategic and Annual Plans 2012/13 18 April 2012

Report of Internal Audit Manager

PURPOSE OF REPORT

To seek the Committee's approval for a proposed three-year Internal Audit Strategic Plan and Annual Operational Plan for 2012/13

This report is public

RECOMMENDATIONS

- 1. That the Internal Audit Strategic Plan for 2012/13 to 2014/15 is approved.
- 2. That the Internal Audit Annual Operational Plan for 2012/13 is approved.

1.0 Introduction

- 1.1 The terms of reference of the Audit Committee include: "To approve Internal Audit strategic plans and the Annual Internal Audit Plan" (the Constitution, part 3 section 8, TOR 11).
- 1.2 The Code of Practice for Internal Audit¹ specifies that "the Head of Internal Audit must produce an audit strategy; this is the high-level statement of how the internal audit service will be delivered and developed in accordance with its terms of reference and how it links to the organisational objectives and priorities."

The Code also specifies that "the Head of Internal Audit should prepare a risk-based plan designed to implement the audit strategy

2.0 Proposal Details

Internal Audit Strategic Plan 2012/13 to 2014/15

- 2.1 The draft Internal Audit Strategic Plan is attached at Appendix A.
- 2.2 A key strategic theme for internal audit in the past two financial years has been to support the council's change programme by assisting where possible with the implementation of the new service structures. With ongoing structural and cultural change within the organisation, this focus remains and is included again in the proposed strategic plan.
- 2.3 As new structures, systems and working practices settle in and develop, the ongoing change programme continues to provide an opportunity to review the efficiency of

¹ Code of Practice for Internal Audit in Local Government in the United Kingdom (CIPFA 2006)

business processes and to revisit and develop standards of governance, internal control and conduct in the organisation.

Internal Audit Annual Plan 2012/13

- 2.4 The draft Internal Audit Annual Plan attached at Appendix B is designed, as required by the Code of Practice, to implement the internal audit strategy. The plan has been developed along similar lines to recent years and retains the following features:
 - Being explicit about which elements of work are intended to provide assurance to support the overall annual opinion on the internal control environment;
 - Being explicit about the resources to be devoted to other "support" work aimed at helping the Council's ongoing improvement programme; and
 - Providing for a rolling programme of audit work to be operated within the plan
 which will provide greater flexibility and responsiveness to changes in the risk
 environment, and any emerging demands for internal audit assurance work.
- 2.5 The annual plan for 2012/13 is based on estimated available resources of 685 days, this being delivered by the in-house team of 3.81 FTE staff. The Internal Audit Manager's role as Deputy s151 Officer has again been estimated as requiring 15 days. This gives a net allocation to audit activity of 670 days.
- 2.6 At the time of writing, work is ongoing to develop a detailed programme of audit assignments. Aligned with the finalisation of the Corporate Plan and the development of Service Business Plans, the Internal Audit Manager will consult with Service Heads, the statutory officers and Management Team generally to inform and develop the detailed programme. It is anticipated that the scope and objectives of audit work during the year will once again be greatly influenced by the financial pressures affecting the council and the plan will be managed as flexibly as possible to ensure that audit effort is targeted as effectively as possible.
- 2.7 As the detailed programme is developed, this will be publicised both to Members of the Audit Committee and to Service Heads and senior managers as well as the plan being formally reported to and monitored by each meeting of the Audit Committee.

3.0 Details of Consultation

3.1 No specific consultation has been undertaken in compiling this report. Management Team, Service Heads and the statutory officers are being consulted in detail in the preparation of Internal Audit's detailed work programme for 2012/13.

4.0 Options and Options Analysis (including risk assessment)

4.1 The proposal is that the Committee approves both the draft Internal Audit Strategic Plan 2012/13 to 2014/15 and the Internal Audit Annual Plan for 2012/13. No alternative options are identified.

5.0 Conclusion

5.1 Audit strategy and planning are key elements in the provision of an effective internal audit service, as demonstrated by their prominence in the Code of Practice. The proposed internal audit strategy and annual plan seek to establish a firm platform for the ongoing effectiveness and improvement of the Council's internal audit service.
