

**LANCASTER CITY COUNCIL STANDARDS COMMITTEE**

**PROCEDURE FOR CASES REFERRED FOR INVESTIGATION**

1. When an allegation is referred by the Monitoring Officer or the Standards Committee for investigation, the Monitoring Officer will within five working days, inform the member who is the subject of the allegation of failure to comply with the code of conduct, ("the Subject Member"), the person who made the allegation ("the Complainant"), and the clerk to any parish council concerned that the matter has been referred for investigation.
2. The Monitoring Officer will appoint an Investigating Officer who may be an officer of the Council, or an external investigating officer. The Investigating Officer may appoint persons to assist him/her in the conduct of the investigation, and may obtain such professional advice as may be necessary. The Monitoring Officer will advise the Subject Member and the Complainant of the appointment of the Investigating Officer.
3. The Investigating Officer may make such inquiries as he/she thinks necessary or expedient for the purposes of conducting the investigation, and may request any person to give such information or explanation as the Investigating Officer thinks necessary or expedient for the purpose of conducting the investigation. The Investigating Officer may require any of the relevant authorities concerned to provide such advice and assistance as may reasonably be needed to assist in the investigation, and to provide reasonable access to such documents in the possession of that authority as appear to the Investigating Officer to be necessary for the purpose of conducting the investigation.
4. Statements will be prepared and agreed with each person interviewed during an investigation, including the Subject Member. The Subject Member will be advised that he/she may be accompanied by a professional representative or advisor, a Group colleague or friend during the interview. Any other person interviewed may be accompanied by a friend or representative if they so wish.
5. The Investigating Officer will complete the investigation within a reasonable period of time according to the nature of the complaint and the extent of the investigation required.
6. The Investigating Officer, having concluded the investigation, will consider whether to produce a draft report before the final report. A draft report may be appropriate where the facts are complex or ambiguous, or where the facts are disputed. Any draft report will be issued to the Subject Member and the Complainant for review and comment, and will indicate that it does not necessarily represent the Investigating Officer's final finding.
7. If the Investigating Officer issues a draft report, he/she will consider whether the responses reveal a need for further investigation or for changes to the report. In some complex cases, the Investigating Officer may wish to issue a second draft report before the final report.
8. The Investigating Officer's final report will include all relevant documents, and copies of all witness statements obtained during the course of the investigation. The report will commence with a statement of the Investigating Officer's finding.

The finding will be either that there has been a failure to comply with the code of conduct of the authority concerned, or as the case may be any other authority concerned (“a finding of failure”), or that there has not been a failure to comply with the code of conduct of the authority concerned, or as the case may be, of any other authority concerned (“a finding of no failure”).

9. The Investigating Officer will submit the final report to the Monitoring Officer.
