Dear Wendy Peck,

We object strongly to the application for an alcohol license for the Storey Institute for the hours stated. These hours will cause unmitigated disturbance to the area and alcoholic drinks should not be served after 22-30hrs or 23-00hrs. To issue this license would mean that houncaster could become a rowdy, drunken, sleazy city which can already be seen emerging near various night clubs etc in the city centre in the early hours of the morning.

Yours faithfully
B. E. Davies
