

F.A.O PRIVATE HIRE LICENSING

RE: FIRE ENGINE.

Please, consider the following for details on the fire engine.

Whilst this is how I would like the fire engine to be, I am more than happy to comply with whatever the committee decide regarding stickers.

Picture 1

Front

I would like to keep the party signs as shown.

The Saxon sign is for the people that converted to a fire engine and can be removed if required.

Either operators
name and contact
details or
Council Signage,
whichever is the
councils preference.

I would like
to keep the
stickers shown
and maybe add
an operators
name and
contact details
if allowed

I would like to keep the NO Smoking sign.

Add either council signage or operators details, opposite to Picture 2.
