

OVERVIEW AND SCRUTINY COMMITTEE

Work Programme Report

24th February 2016

Report of the Chief Officer (Governance)

PURPOSE OF REPORT

To provide Members with an update of the Committee's Work Programme.

This report is public.

RECOMMENDATIONS

- (1) That Members note the Work Programme, as detailed in Appendix A to the report and the updates set out below.
- (2) That Members consider whether they would like to include any further items in the Work Programme.

1. Introduction

Members are requested to consider the Work Programme attached at Appendix A and the updates set out in 2 below.

2. Updates

Special Meeting of the Committee to consider the Recent Floods

Members will recall that at the December meeting of the Committee it was agreed to hold a Special Meeting to consider the flooding that took place in December. At present, the Council is still in the recovery phase of the incident and the Multi-agency debrief has not yet taken place. Therefore to hold a Special Meeting in March would not be appropriate as the information and reports would not yet be complete.

It is suggested this Special Meeting is scheduled for June when the Council and other agencies will be in a better position to report back.
