

# OVERVIEW AND SCRUTINY COMMITTEE

## APPOINTMENTS

8<sup>th</sup> June 2016

### Report of the Chief Executive

#### PURPOSE OF REPORT

To enable Members to make a number of appointments for the forthcoming Municipal Year.

**This report is public.**

#### RECOMMENDATIONS

- (1) **Members are requested to consider and appoint representatives, as detailed in the report below.**

#### 1. INTRODUCTION

#### 1.1 APPOINTMENT OF SCRUTINY CHAMPION, PRE-DECISION SCRUTINY CHAMPION AND CABINET LIAISON MEMBERS

##### Scrutiny Champion

In accordance with the scheme run by the Centre for Public Scrutiny, Lancaster City Council currently appoints a Member and Officer to the Scrutiny Champions' Network. The Network supports and encourages all those involved in public scrutiny to become advocates for the role within their own organisations. For the last Municipal Year the Councillor Scrutiny Champion was the Chairman of the Overview and Scrutiny Committee. The Committee is asked to appoint a Councillor Scrutiny Champion for the new municipal year.

##### Pre-Decision Scrutiny Champion

The role of Pre-Decision Champion was established to provide a clear focus and Member lead with regard to pre-decision scrutiny. This is the process by which members of the Overview and Scrutiny Committee become involved with decisions at a stage before the decision is formally taken.

This approach proves beneficial as it:

- Involves non-executive councillors at the pre-decision stage.

- ❑ Reduces the need for call-ins through developing an understanding of an issue, and ensuring that reports for decision adequately reflect different options and approaches.
- ❑ Adds value to reports through wider consultation.

There are many ways in which pre-decision scrutiny can be undertaken and achieved as follows:

- ❑ Examination of the List of Forthcoming Key Decisions.
- ❑ Intelligence from Liaison Members arising from discussions with Chief Officers and Cabinet Members.
- ❑ Examination of the Corporate Plan.

The role of the Pre-Scrutiny Champion is to take the lead and help develop this process. They can:

- ❑ Liaise with Members of the Overview and Scrutiny Committee to highlight potential areas for pre-decision scrutiny within their liaison area.
- ❑ Consider and review the List of Forthcoming Key Decisions.
- ❑ Assist other Councillors (including Members of the Committee) to identify pre-scrutiny issues and propose ways in which these can be approached.
- ❑ Provide comments on the structure and functioning of the List of Forthcoming Key Decisions to assist the City Council with its improvement and advancement.

In the last municipal year regular meetings have been held with the Chairman and Vice-Chairman of this Committee, the Chairman and Vice-Chairman of Budget and Performance Panel and the Pre-Scrutiny Champion to consider these issues. These meetings have been seen, by those involved, as a good addition to this process.

The Committee is asked to appoint a Councillor to undertake the task of Pre-Scrutiny Champion.

Members are reminded that a report on Lancashire County Council's Pre-Scrutiny processes has been requested.

### **Cabinet Liaison Members**

Cabinet Liaison Members provide a dedicated link between Overview and Scrutiny and Cabinet Members. The role is intended to provide an ongoing dialogue between meetings to ensure that the Overview and Scrutiny Committee remains informed regarding developments within portfolios, potential areas for pre-decision scrutiny and where Cabinet Members feel there is a role for scrutiny to assist with policy development.

The role of Cabinet Liaison Members can be summarised as: -

- ❑ To provide a dedicated channel of communications between Overview and Scrutiny Committee and Cabinet Portfolio Holders.
- ❑ To hold regular briefings with their Cabinet Portfolio Holder.
- ❑ To maintain an understanding of developments and ongoing issues within portfolio areas.
- ❑ To follow up with Cabinet Portfolio Holders potential requests for pre-decision scrutiny.
- ❑ To highlight potential areas for scrutiny or policy development within portfolio areas.

- To ensure that Cabinet members are kept apprised of the work of Overview and Scrutiny, particularly where these are within the area of responsibility of a Cabinet Member.
- Where appropriate, to receive briefings from Officers with their relevant Cabinet Member in order to prevent duplication.
