Chairman

Cabinet member with Special Responsibility for Leisure, Culture and Tourism

Terms of Reference

This Group is a non-decision making consultative forum to assist Cabinet Members in their decision-making responsibilities.

The Group will consider and advise on redevelopment options for the City Council's museums in the context of the district's heritage and cultural offer for visitors and residents, providing a forum where information can be shared and feedback provided on the following:

- The results of feasibility works undertaken for specific redevelopment proposals, as agreed
- Analysis of consultation and engagement with visitors, residents, staff, funders and partners
- Design options and relative benefits/ constraints
- Museums expenditure and income
- Additional opportunities to develop the use of the City Council's buildings linked to museums and the wider heritage and culture of the district
- Management arrangements

Membership and attendees: To be determined by the lead Cabinet member

Frequency: As required to align with key points in the museums redevelopment programme
