Hello

I have just been contacted by one of my tenants from Anderton Court, 27 Pedder Street, Morecambe. He said that he had heard that The Chieftain Pub on Pedder Street was wanting to open until 1 am and at times, 2 pm and had applied for a licence to extend their hours.

I have looked on line and there is an application for this, however your site states that 28 days is allowed to object and as the application was logged on 28.9.16 I only have until tomorrow to object.

I wanted to get signatures from my 20 tenants at Anderton Court, but now will not have time to do so. I would however, like to object against this extension of opening hours as there is already a lot of public nuisance in Pedder Street car park area in front of my flats and I have already had one lady leave because of the noise and anti-social behaviour. I know the police have been there on several occasions.

I know most of the problems now come from the people leaving the Lord Nelson late at night congregating in the car park and waiting for taxis, but I am sure that by extending the licence at The Chieftain it will only add to these problems.
