RECOMMENDATIONS OF THE LATE NIGHT ECONOMY TASK GROUP (Note: recommendations 5 and 6 of the Task Group to be considered by Council)

That Cabinet accepts recommendations 1 to 4 as set out in the attached Task Group report:

1. Introduction

1.1 The Overview and Scrutiny Committee first discussed the creation of an Informal Task Group to consider the night time economy in Lancaster and Morecambe at its Community Safety Meeting on the 18th November 2015. A scoping document setting the scope, purpose of the Task Group and Terms of Reference for the Group was then agreed at the December 2015 meeting of the Overview and Scrutiny Committee. Details are provided below.

2. Terms of Reference

2.1 The following Terms of Reference for the Task Group were agreed by the Overview and Scrutiny Committee:

1. To consider and investigate issues that will help to assist the City Council's priority for Cleaner, Greener and Safer Places.
2. To consider how to improve communications between organisations involved in the late night economy, if required.
3. To consider how a better balance and improved relations between City/Town people using the night facilities and local residents can be achieved.
4. To investigate whether a multi-agency approach is required in order to resolve any issues that are raised.

At the meeting of Overview and Scrutiny on the 27th January 2016 the Committee added the following to the Terms of Reference:

5. To investigate the provision of CCTV.

3. Proposals

- 3.1 The Task Group was set up as an opportunity to improve communications between agencies and to provide a multi-agency approach to issues raised.
- 3.2 The recommendations of the Task Group will assist the City Council in meeting the Corporate Plan priority for Clean and Green Places, improved communications between organisations operating within the late night economy and improve relations between residents of the Town/City Centres and those visiting the centres to utilise the facilities of the late night economy. The proposals of the Task Group were reported to the Overview and Scrutiny Committee. It was noted that evidence had been gathered from many different sources such as the Police, Pubwatch, the NHS, BID both Morecambe and Lancaster, as well as Council officers from Licencing, Environmental Services and Street Cleansing.
- 3.3 The Committee discussed the findings and recommendations of the Informal Task Group and made a few minor amendments to the recommendations. These are set out within the recommendations section of this report.
- 3.4 Members are advised that, due to timescales, recommendation 2 (a) regarding a PSPO was considered and agreed by Cabinet at its meeting held on 6th December 2016 and therefore does not require further consideration. Recommendation 2 (b) will be considered by the Overview and Scrutiny Committee and recommendations 5 and 6 will be considered by Council.
- 3.5 A full copy of the Task Group's report is appended. Cabinet is requested to consider the recommendations of the report.
