| <b>Details of Decision:</b><br><br>Award of contract to refurbish two 26T refuse collection vehicles to Faun Zoeller UK.  |          |  |                |
| <b>Reasons for the decision:</b><br><br>Vehicle tender exercise completed via the Chest portal. Faun Zoeller satisfied the specification requirements, which included; <i>project management, robustness of warranties, experience in carrying out refurbishments and aftersales service</i> . The chosen supplier also proved to be the most competitively priced and is the original supplier/manufacturer of the vehicles.<br><br>If purchased new, these refuse vehicles would cost in excess of £140K each and have an expected life of 7 years (equating to c. £20K p.a.). Refurbishing these vehicles is estimated to save £8-11K annually, per vehicle, and extend the life by up to 4 years.<br><br>Emissions and impact to the environment have been analysed (new vs refurbished) and shown to be minimal. |          |  |                |
| <b>IS THE DECISION URGENT</b><br><b>N/A</b><br><b>PLEASE DELETE AS APPROPRIATE AND GIVE REASONS FOR URGENCY BELOW:</b>  |          |  |                |
