

Morning Andrea,

As discussed please see below conditions that were agreed that need to be added to the application for Lancaster Food Court.

Please can you confirm that you and your client agree to these conditions via email.

Any issues please do not hesitate to contact me...Andy

Payment for alcohol must not be taken at the property where the order is being delivered to ie no cash transactions 'at the door' or direct sales from the delivery vehicle must take place.

Payment for alcohol must be made by card (debit or credit) when placing a telephone order , in advance of delivery. At this point, details should be taken and a copy of all sales logged including the age verification measures taken at the time of each sale. Also, verification that an age check was carried out at the time of delivery and suitable ID shown. This shall be documented and available for inspection to Police Officers or other authorised persons

All deliveries of alcohol must be accepted by an individual over the age of 18 and not left in a safe place or unsigned for.

All deliveries of alcohol shall be delivered to a premises address with a valid postcode ie not just to a street corner or public space.

The delivery vehicle shall only contain items which have been pre-ordered, purchased and selected for the documented customers. No surplus/additional stock to be conveyed in the delivery vehicle at any time.

No alcohol will be delivered to any person intoxicated.
