

Scotforth Parish Council

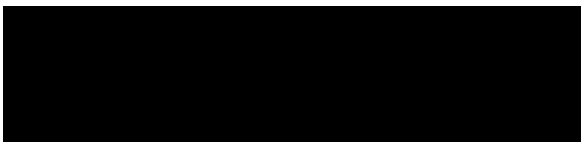

Internal Auditor's Report 2018/19

I am pleased to have been asked again to provide the internal audit service for the Parish Council.

The summary of my findings and opinions are included in the Annual Internal Audit Report section of the Council's Annual Governance and Accountability Return for the year ended 31 March 2019.

I am pleased to report to the Council that I have been able to confirm compliance with all relevant aspects included in the Internal Audit Report.

There were no outstanding matters to review from previous years and I have no further recommendations for the Council arising from my audit for the year ended 31st March 2019.
