Notes for the Guidance of Applicants for Hackney Carriage and Private Hire Drivers Licences

Application forms for Hackney Carriage and Private Hire drivers' licences can be obtained from Customer Services at the Town Hall in either Morecambe or Lancaster or can be downloaded at www.lancaster.gov.uk.

Applicants for Hackney Carriage or Private Hire drivers' licences are required to have held for a minimum of one year a full driving licence issued in the UK, the European Community (EC) or one of the other countries in the European Economic Area (EEA).

The completed application forms should be returned to the Town Hall address, an appointment will be made for all new applicants at which time you will be required to complete an Enhanced Disclosure & Barring Service (DBS) form and produce the following documents. Existing applicants should submit all required paperwork (no appointment is necessary):

(a) Current Full European Driving Licence

(b) A full medical certificate in the prescribed form, issued by a General Practitioner on first application and every 3 years thereafter (dated within 2 months of application). Once a driver reaches the age of 65 he / she will be required to provide a full medical certificate annually.

(i) all medical checks must be carried out by:-

- the applicant's own GP;
- someone from the GP practice to which the applicant is registered; or
- an agent appointed by the GP;

(ii) full access to the applicant's medical records must be available to the GP carrying out the check at all times;

(iii) the medical records must be taken into account when carrying out the medical examination

(c) Appropriate fee

(d) Proofs of identity for DBS check (further details will be given when appointment is made)

Without exception, no licence will be granted until **all** required documents have been received by the Council.

***** Please note all application processes must be completed within 6 months of the date of issue of the DBS certificate or a new certificate will be required*****

Your right to work in the UK will be checked as part of your licence application. This could include the Licensing Authority checking your immigration status with the Home Office. We may otherwise share information with the Home Office. You must therefore provide a document or document combination that is stipulated as being suitable for this check. The list of documents is set out on our website. You must provide the original document(s), such as your passport or biometric residence permit, as indicated in the published guidance, so that the check can take place. The document(s) will be copied and the copy retained by the licensing authority. The original document will be returned to you. Your application will not be considered valid until all the necessary information and original document(s) have been produced and the relevant fee has been paid.

If there are restrictions on the length of time you may work in the UK, your licence will not be issued for any longer than this period. In such circumstances the check will be repeated each time you apply to renew or extend your licence. If, during this period, you are disqualified from holding a licence because you have not complied with the UK's immigration laws, your licence will lapse and you must return it to the licensing authority. Failure to do so is a criminal offence.

All new applicants will be required to pass a Driver Assessment Course as approved by the Licensing Manager.

(Amendment in bold approved 13th October 2016)

Applicants are required to achieve the BTEC Level 2 Certificate 'In the Introduction to the role of the Professional Taxi and Private Hire driver' with Lancaster and Morecambe College (LMC) as part of the licence application.

Child Sexual Exploitation (CSE) awareness training and the local knowledge test will be delivered by LMC as part of the BTEC qualification.

(Approved 22nd March 2018)

Disclosure & Barring Service (previously known as Criminal Records Bureau)

The applicant will be asked to detail, on the application form, any convictions, cautions or fixed penalties, which have been recorded against them.

DETAILS OF CONVICTIONS OR CAUTIONS FOR ANY OFFENCE WHETHER DRIVING OFFENCES (INCLUDING FIXED PENALTY NOTICES) OR ANY OTHER OFFENCE, MUST BE DECLARED.

By the provision of the Rehabilitation of Offenders Act 1974 (Exceptions)(Amendment)Order 2002, applications by prospective Hackney Carriage and Private Hire Drivers must detail all convictions, as the 'spent' convictions provisions do not apply to these occupations. The subsequent checks to the Disclosure and Barring Service (DBS) will serve to confirm the information provided.

You must not rely on that check to provide the correct information, as any application, which does not supply the complete information at the outset may be considered to be incomplete and a view may be taken that a deliberate attempt has been made to conceal convictions, which have not been declared.

It is a criminal offence to make a false declaration to obtain a Licence.

Convictions will not necessarily debar an applicant from obtaining a licence although, if a conviction is revealed which, takes the matter outside the Council's 'Policy on the Relevance of Convictions', the applicant will be able to make representations to the Licensing Manager, who will determine whether a licence is issued. All information received will remain confidential and be securely stored only as long as necessary.

Statement of Policy Regarding Relevant Convictions

When submitting an application for a licence to drive a Hackney Carriage or drive or operate a Private Hire Vehicle, individuals are requested to declare any convictions or cautions they may have. The information given will be treated in confidence and will only be taken into account in relation to the application in question.

Lancaster City Council, as a Licensing Authority, is empowered in law to check with the Disclosure and Barring Service for the existence and content of any criminal record held in the name of an applicant. Information received will be kept in strict confidence while the application process takes its course and will be retained for no longer than is necessary. The disclosure of a criminal record or other information will not debar any applicant from obtaining a licence unless the Council considers that the conviction renders him or her unsuitable. In making this decision, the Council will consider the nature of the offence, how long ago and at what age it was committed and any other factors, which may be relevant.

Any applicant refused a Licence on the grounds that he / she is not a 'fit and proper' person to hold such a licence, has the right of appeal to a Magistrates' Court.

The effect of any particular conviction on a proposed application may be discussed in confidence with the Licensing Team.

Each case will be determined on its own merits, however the overriding consideration will be the protection of the public.

IT IS AN OFFENCE FOR A PERSON TO DRIVE A LICENSED HACKNEY CARRIAGE OR PRIVATE HIRE VEHICLE UNLESS AND UNTIL A HACKNEY CARRIAGE / PRIVATE HIRE DRIVER'S LICENCE IS GRANTED.

Vehicle Testing

Before a licence can be issued, the vehicle must be mechanically tested and inspected by the Council's nominated garage. This process is referred to as "the Engineer's Report" or "Certificate of Compliance".

The licence of any vehicle which fails its inspection requirements will be automatically suspended until such time as the vehicle has been re-examined and the necessary 'pass' certificates obtained.
