

# Internal Control & Corporate Governance Framework Overview 2005/06 (Management Group Evaluation)

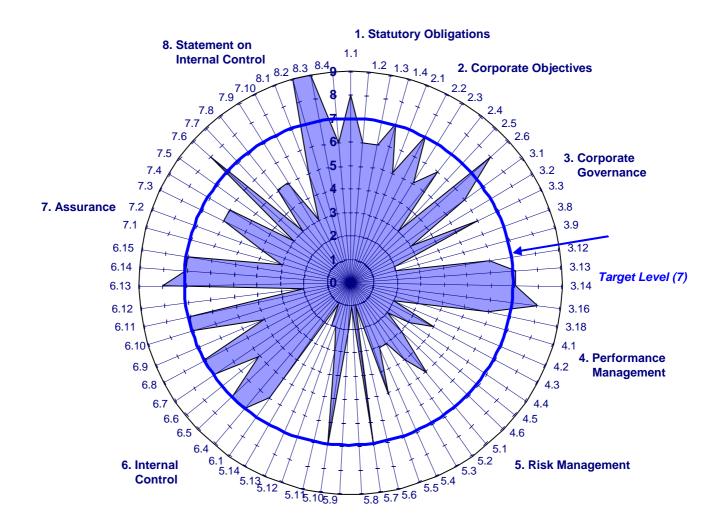

The chart maps the scores produced by the Management Group for each of the 79 internal control features in the framework on a scale of 1 to 9. The filled area represents the extent to which the Council's arrangements are judged to provide effective control (i.e. the larger the filled area, the better) and a general "target" level of 7 has currently been set.

Where larger areas of white are displayed within the target circle, the greater the scope and need to improve arrangements.

# Internal Control & Corporate Governance Framework Overview 2004/05 (Provided for Comparison)

The chart maps the scores produced by the Management Group for each of the 67 internal control features in the framework on a scale of 1 to 9. The filled area represents the extent to which the Council's arrangements are judged to provide effective control (i.e. the larger the filled area, the better) and a general "target" level of 7 has currently been set.

Where larger areas of white are displayed within the target circle, the greater the scope and need to improve arrangements.

Please note that direct comparison with 2005/06 is not possible due to the addition of new controls.
