Proposal : JOB EVALUATION

## **PROPOSAL DETAILS**

After the last job evaluation exercise in 2010, it was agreed that a review would take place two years later, and this unfortunately did not take place. In 2018, the Council took the decision to progress with this piece of work for a variety of reasons; an opportunity to procure a more modern and commercial method of evaluation with a better fit for our organisation and its ambitions, a chance to review the pay and grading of all roles, and support with recruitment, retention and development of staff.
