Dear Sir/Madam

[REDACTED]
[REDACTED] any way I can pay by card or cash. Please can you call me to arrange this.

I would also like to object to the seating arrangements proposed by The Pier Hotel in Morecambe. They intend to put seats on the pavement outside thier pub, they already have outside seating in area that is encased to protect thier customers, and for the public to pass by safely. As there is a Zebra crossing right in front of the premises, allowing them to have seats on the pavement as well will cause danger to the public and road users. I appreciate this is an unprecedented time and difficult for all business owners, but we should not be putting the public in any further danger, I was advised to contact licencing about this objection, however if need to contact anyone else about this please let me know so I can do so.

Regards
Richard Westbury

Hi David,

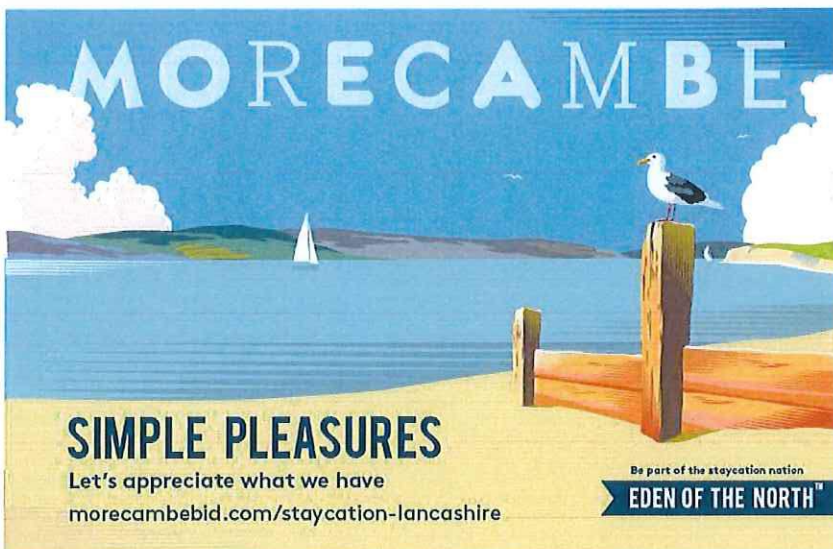

Morecambe BID has no objections. In fact, we encourage people back into the BID zone so any initiatives are welcome.

Best regards,
