20	SR21 Non compliance with Regulator of Social Housing Standards	The Social Housing White Paper and subsequent amendments through to the introduction of the Social Housing Regulation Act have highlighted a significant shift in requirements for social housing providers. This will be the biggest shift in a generation, with changes to standards and expectations. Failure to keep up with changes could result in unlimited fines / DLUHC, Regulator or Ombudsman intervention / bad publicity. However clearly the Regulator has laid out that it is unlikely that Councils will meet the required new standards fully and expect to work with landlords to improve performance against new requirements. Link to Council Plan 24-27: 3.1 Access to Quality Housing	6 (3x2)	Property Financial	Social Housing Regulation	Attendance at benchmarking groups with the Regulator / Ombudsman to stay abreast of updates / developments / best practice / learning	2 (2x1)	Social Housing Regulation	Self-assess against new regulatory standards which have been released and action plan. 24	SR26 - Increasing costs of temporary accommodation for the homeless	In 23-24 we are forecasting the Council will be required to contribute an additional £500k towards the cost of B+B accommodation for homeless residents. This is expected to continue into 24-25. Increase in costs is linked to increasing homelessness, reduced subsidy recovery from HB and reduced grant availability. Costs of accommodation also increasing and increase in larger families needing to be accommodated for longer. The subsidy can be met from within budgets this year (23-24), however this will need to be factored into future budgets moving forward. Funding temporary accommodation for those who need it is a stat requirement.
