Details of Decision: To seek approval for additional external resource to aid the delivery of key maintenance projects			
Reasons for the decision: The council has a significant backlog of maintenance liabilities which will be programmed based on the priorities and available resource. However, there are several projects which have arisen for which the team are not currently adequately resourced. The procurement of an external resource will increase the team's capacity without having any long-term HR implications. <i>(Further details are set out in the report which is exempt from publication by virtue of paragraph 3, Schedule 12A of the Local Government Act, 1972.)</i>			
IS THE DECISION URGENT No			
I confirm that I have taken account of the options proposed by officers, the various implications set out in the report and the comments of the Monitoring and Section 151 Officers and am authorising the decision as set out above.
