Details of Decision:			
<p>For the Council to carry out a competition under the YPO Framework Purchase, Lease and Hire of Specialist Vehicles (1170) for the provision of Road Sweeping Vehicles for cleaning of streets and open spaces across the district. Following the approval and the completion of the successful procurement exercise to then delegate the award of the contract to the to the Chief Executive in consultation with the s151 officer.</p>			
Reasons for the decision:			
<p>Due to the ever-increasing age of the Road Sweeping vehicles on our fleet, maintenance and operational cost have risen significantly, due to the age of the current vehicles they are more prone to mechanical failures, requiring frequent repairs and expensive part replacements, all of which increases vehicle down time. Additionally, aging fleets become less fuel efficient, leading to higher fuel consumption and increased emission, further contributing to rising costs.</p>			
IS THE DECISION URGENT			
No			
<p>I confirm that I have taken account of the options proposed by officers, the various implications set out in the report and the comments of the Monitoring and Section 151 Officers and am authorising the decision as set out above.</p>
